# Safety Instruction Guide for Redding Competition Standard Length VLD Seater Stems

## Introduction

Thank you for choosing the Redding Competition Standard Length VLD Seater Stems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage. Do not use if damaged.
- Always follow local laws and regulations regarding the use of ammunition and reloading equipment.
- In case of any uncertainty regarding the product's safety, consult a qualified professional.

## Specific Safety Precautions for Use

- **Caliber Compatibility:** Ensure that the seater stems are compatible with 22 caliber cartridges. Using incorrect calibers can lead to malfunctions or dangerous situations.
- **Proper Handling:** Always handle the product with care. Avoid dropping or mishandling to prevent damage.
- **Protective Gear:** Wear appropriate protective gear, such as safety glasses and gloves, when using the product to prevent injury.
- **Work Environment:** Use the product in a wellventilated area, away from flammable materials.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions to ensure safe operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Remove the existing seating stem from the press.
- Carefully insert the Redding Competition Standard Length VLD Seater Stem into the press.
- Tighten securely, ensuring it is properly fitted.

### 2. Usage:

- Load the cartridge case into the press according to the manufacturer's instructions.
- Adjust the seating depth as necessary for your specific load.
- Operate the press smoothly and consistently to avoid damaging the seating stem.
- After use, clean the seating stem to remove any residue or debris.

## Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options if applicable.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Redding Competition Standard Length VLD Seater Stems, please contact the manufacturer or a qualified professional. It is essential to have access to support for any safetyrelated questions.

## Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the Redding Competition Standard Length VLD Seater Stems. Your safety is our priority, and we appreciate your commitment to responsible usage. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform.
