# Safety Instruction Guide for Redding Competition Long VLD Seater Stems

## Introduction

Thank you for choosing the Redding Competition Long VLD Seater Stems for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the product to minimize any risks associated with its use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the seater stems with care to avoid injury.
- Ensure that the seater stems are compatible with 22 caliber cartridges before use.
- Do not exceed the recommended specifications for your reloading setup.
- Always follow the manufacturer's instructions for setup and operation.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Be aware of potential hazards such as sharp edges or moving parts during operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is clean and free from obstructions.
- Select the appropriate Redding Competition Long VLD Seater Stem for 22 caliber cartridges.
- Securely attach the seater stem to your reloading press according to the manufacturer's instructions.
- Doublecheck that the stem is firmly in place before proceeding.

### 2. Usage:

- Prepare your 22 caliber cartridges according to standard reloading procedures.
- Adjust the seating depth as required for your specific bullet type and load.
- Place the cartridge in the appropriate position in the reloading press.
- Carefully operate the press to seat the bullet using the seater stem.
- Monitor the process closely to ensure consistent results and avoid any malfunctions.

## Disposal Instructions

- Dispose of any damaged or unusable stems according to local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Competition Long VLD Seater Stems, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety while using the Redding Competition Long VLD Seater Stems. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
