General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always follow local regulations and laws regarding the use of reloading equipment and components.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage. Do not use if any parts are damaged or worn.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and hearing protection when using reloading equipment.
- Ensure your workspace is wellventilated to avoid inhalation of any potentially harmful substances.
- Handle all components with care to avoid injury.
- Do not exceed recommended load specifications when using the seating stems.
- Avoid distractions while using the product to maintain focus and ensure safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Select the appropriate die for your caliber (264/6.5 mm).
- Insert the Redding Competition Long VLD Seater Stem into the die according to the manufacturer's instructions.
- Tighten the stem securely to avoid any movement during use.

2. Usage:

- Prepare your cases and ensure they are clean and free from any obstructions.
- Adjust the seating depth according to your specific requirements.
- Place the bullet into the case mouth and position it under the seating stem.
- Slowly operate the press handle to seat the bullet to the desired depth.
- Inspect each round for proper seating and alignment before proceeding.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste. Check for local recycling options for metal and plastic materials.
