# Safety Instruction Guide for Redding Competition Long VLD Seater Stems

## Introduction

Thank you for choosing the Redding Competition Long VLD Seater Stems. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions to avoid accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the product before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about potential recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The product is designed for precision loading and seating of bullets. Improper use may lead to accidents or malfunctions.
- Avoid using the product if it is damaged or worn out.

### • Instructions for Avoiding Hazards:

- Always handle the product with care to prevent injuries.
- Use protective eyewear when working with ammunition and reloading equipment.
- Ensure the workspace is clean and organized to prevent accidents.
- Do not exceed the recommended specifications for the product.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure that any individuals assisting in the use of this product are adequately trained and supervised.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the reloading press is securely mounted and stable.
2. Select the appropriate caliber for the Redding Competition Long VLD Seater Stems (7mm or .284).
3. Insert the seater stem into the reloading press according to the manufacturer's instructions.

### • Usage:

1. Measure and prepare your cases and bullets according to standard reloading practices.
2. Place the bullet into the case mouth.
3. Adjust the seater stem to the desired seating depth.
4. Operate the reloading press to seat the bullet securely.

5. Inspect the finished cartridge for proper seating and alignment.

## **Disposal Instructions**

- Dispose of any damaged or unusable components responsibly.
- Follow local regulations for the disposal of reloading equipment and materials.
- Do not dispose of the product in regular waste; instead, consider recycling where possible.

## **Contact Information for Further Support**

For any inquiries regarding product safety or performance, please refer to the manufacturer's website or contact their customer service department directly.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
