# DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY Safety Instructions

## Introduction

Thank you for purchasing the DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY. This product is designed for use with Redding sizing dies and includes a decapping pin and expander ball. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage. Do not use if any parts are broken or missing.
- Use the product only for its intended purpose as specified by the manufacturer.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) when using the decap rod assembly, including safety glasses and gloves.
- Be cautious of sharp edges and points when handling the decapping pin and other components.
- Do not apply excessive force when using the decap rod assembly, as this may lead to breakage or malfunction.
- Ensure that the work area is clean and free from obstructions to prevent accidents.
- Avoid using the product in wet or damp conditions to reduce the risk of electric shock or corrosion.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the DECAP ROD ASSEMBLY and check that all components are included: the decapping pin and expander ball.
- Follow the specific instructions provided with your Redding sizing die for attaching the decap rod assembly.
- Ensure that the decapping pin is securely fastened to avoid detachment during use.

### 2. Usage:

- Load the cartridge (5.7 x 28 mm) into the sizing die according to the manufacturer's guidelines.
- Operate the sizing die with a smooth and steady motion to ensure proper decapping.
- After use, carefully remove the cartridge and inspect the decap rod assembly for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous and nonhazardous waste.
- Do not dispose of the product in regular household waste. Instead, take it to a designated recycling or disposal facility.
- Remove any batteries or hazardous components before disposal, if applicable.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY, please refer to the manufacturer's contact details provided with the product. It is important to have access to support for any safetyrelated questions or issues.

By following these safety instructions, you can ensure a safe and effective experience with the DECAP ROD ASSEMBLIES REDDING DECAP ASSEMBLY. Thank you for your attention to safety.
