# **Safety Instruction Guide for TYPE S DECAPPING ASSEMBLIES REDDING TYPE S DECAPPING ASSEMBLY 20 VARTARG**

## **Introduction**

Thank you for choosing the TYPE S DECAPPING ASSEMBLY by Redding. This product is designed to work with Type S full length sizing dies or Type S neck sizing dies for the 20 Vartarg cartridge. To ensure your safety and the longevity of the product, please read this safety instruction guide carefully before use.

## **General Safety Guidelines**

- Ensure that all nonfood products, including this decapping assembly, are used according to the manufacturer's instructions.
- Be aware of potential risks associated with the use of this product, including accidental injury and improper handling.
- If you are purchasing this product online, ensure that the platform complies with safety requirements similar to those of physical stores.
- Special care should be taken if the product is used by children or vulnerable individuals. Adult supervision is recommended.
- For any safety inquiries, always refer to an EUbased contact point for assistance.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, such as safety glasses and gloves, when using the decapping assembly.
- Ensure that the decapping assembly is compatible with your Type S sizing die before use.
- Do not modify the decapping assembly in any way, as this may compromise safety and functionality.
- Keep the assembly out of reach of children when not in use.
- Inspect the decapping assembly regularly for any signs of wear or damage. Do not use if damaged.
- Avoid using excessive force during operation to prevent injury or damage to the assembly.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the Type S sizing die is clean and free from debris.
- Attach the decapping assembly to the sizing die according to the manufacturer's instructions.
- Tighten the assembly securely to prevent it from loosening during use.

### **2. Usage:**

- Place the cartridge into the sizing die, ensuring it is properly aligned.
- Operate the sizing die according to the manufacturer's guidelines, applying gentle and even pressure.
- After decapping, remove the cartridge from the die carefully to avoid injury.

### **3. PostUsage Care:**

- Clean the decapping assembly after each use to maintain its performance.
- Store the decapping assembly in a safe and dry place, away from children.

## **Disposal Instructions**

- Dispose of the decapping assembly in accordance with local regulations.
- Do not dispose of it in regular household waste if it is damaged or poses a safety risk.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the TYPE S DECAPPING ASSEMBLY, please refer to the manufacturer's contact information provided on the packaging or the product manual. It is essential to have access to support for safety inquiries and product usage.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your TYPE S DECAPPING ASSEMBLY responsibly!
