# Sinclair Cleaning Cradle Saddle Front to 1.75 Safety Instructions

## Introduction

Thank you for choosing the Sinclair Cleaning Cradle Saddle Front to 1.75. This product is designed to provide a stable and secure platform for cleaning most hunting and sporting rifle stocks. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the cleaning cradle for any signs of damage before each use.
- Keep the cleaning cradle out of reach of children and pets.
- Ensure that the cleaning area is wellventilated and free of flammable materials.
- Use personal protective equipment (PPE) such as gloves and safety glasses when cleaning firearms.
- Be aware of your surroundings and ensure that no one is in the line of fire when cleaning your rifle.

## Specific Safety Precautions for Use

- The cleaning cradle is designed for rifle stocks with forends up to 1.75 inches wide. Do not exceed this limit.
- Always secure the rifle in the cradle before beginning the cleaning process.
- Avoid using excessive force when cleaning to prevent damage to the rifle or the cradle.
- Do not leave the rifle unattended while it is secured in the cradle.
- Ensure that all cleaning materials are stored safely and out of reach of children.

## Instructions for Installation and Usage

### 1. Unpack the Product:

- Remove the cleaning cradle from its packaging.
- Inspect the product for any visible damage.

### 2. Set Up the Cleaning Cradle:

- Place the cleaning cradle on a flat, stable surface.
- Ensure that the cradle is positioned away from edges and hazards.

### 3. Secure the Rifle:

- Position the rifle within the cradle, ensuring the forend fits securely.
- Adjust the cradle as necessary to accommodate the rifle's dimensions.

### 4. Cleaning Process:

- Use appropriate cleaning materials and tools as per the firearm's requirements.
- Follow the manufacturer's guidelines for cleaning your specific rifle model.

### 5. PostCleaning:

- Once cleaning is complete, carefully remove the rifle from the cradle.
- Store the cleaning cradle in a safe location, out of reach of children.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the cleaning cradle becomes damaged beyond repair, follow local guidelines for disposing of plastic and metal materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Sinclair Cleaning Cradle Saddle, please contact the manufacturer directly.

Thank you for prioritizing safety while using the Sinclair Cleaning Cradle Saddle Front to 1.75. Enjoy your cleaning experience!
