# Sinclair Cleaning Cradle Saddle Rear Safety Instructions

## Introduction

Thank you for choosing the Sinclair Cleaning Cradle Saddle Rear. This product is designed to provide a stable and secure platform for cleaning most standard rifle stocks. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the cleaning cradle before use for any signs of damage or wear.
- Keep the cleaning cradle out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified by the manufacturer.
- Be aware of your surroundings and ensure that the area is clear of hazards when using the cleaning cradle.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the cleaning cradle.
- Ensure that the rear grips of the rifle stock are properly secured within the cradle before cleaning.
- Avoid using the cleaning cradle on uneven surfaces to prevent tipping.
- Do not leave the cleaning cradle unattended while in use.
- Wear appropriate personal protective equipment, such as safety glasses, when cleaning firearms.
- Always follow safe handling practices for firearms while using the cleaning cradle.

## Instructions for Installation and Usage

### 1. Installation

- Place the cleaning cradle on a stable, flat surface.
- Ensure that the cradle is fully assembled and all components are securely fastened.
- Adjust the cradle as needed to accommodate the width of the rear grips (up to 1.75 inches).

### 2. Usage

- Position the rifle stock securely in the cleaning cradle.
- Ensure that the stock is stable and will not shift during cleaning.
- Follow the manufacturer's cleaning instructions for your specific firearm.
- After cleaning, carefully remove the rifle stock from the cradle.

## Disposal Instructions

- Dispose of the cleaning cradle in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the cleaning cradle in regular household waste if it contains hazardous materials.
