# Sinclair Cleaning Cradle Saddle Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair Cleaning Cradle Saddle Front to 3.250. This product is designed to provide a stable and secure platform for cleaning your benchrest rifle stocks. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always inspect the cleaning cradle for any signs of damage before use. Do not use if damaged.
- Ensure that the cradle is placed on a stable and level surface before use.
- Keep the cleaning area free of clutter and obstacles to prevent accidents.
- Use the cradle only for its intended purpose as specified in this guide.
- Do not leave the cleaning cradle unattended while in use.
- Store the cleaning cradle in a dry place, away from direct sunlight and extreme temperatures.

## Specific Safety Precautions for Use

- This product is designed to accommodate forends between 2.625 inches and 3.25 inches wide. Ensure your rifle stock fits within these dimensions.
- Always secure the rifle properly in the cradle to prevent it from slipping or falling.
- Avoid placing excessive weight on the cradle beyond its intended use.
- Do not use the cradle for any other purpose than cleaning your rifle.
- Keep children and pets away from the cleaning area during use.

## Instructions for Installation and Usage

### 1. Setup

- Place the cleaning cradle on a flat, stable surface.
- Ensure that the cradle is fully opened and locked into place.

### 2. Securing the Rifle

- Adjust the cradle to fit the width of your rifle's forend.
- Place the rifle securely in the cradle, ensuring it is balanced and stable.
- If necessary, use additional supports or clamps to secure the rifle in place.

### 3. Cleaning Process

- Follow the manufacturer's instructions for cleaning supplies and tools.
- Use caution when handling cleaning solvents and tools.
- Do not apply excessive force while cleaning to avoid damaging the rifle.

### 4. PostUse

- Carefully remove the rifle from the cradle after cleaning.
- Clean the cradle with a damp cloth to remove any cleaning residues.
- Store the cradle in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of the cleaning cradle in accordance with local regulations.
- If the cradle is no longer usable, consider recycling it where possible.
- Do not dispose of the cradle in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Sinclair Cleaning Cradle Saddle, please refer to the manufacturer's website or contact your retailer for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair Cleaning Cradle Saddle Front to 3.250. Always prioritize safety and take the necessary precautions when using this product. Thank you for your attention to these guidelines.
