# POWDER FUNNEL WITH LONG DROP TUBE Safety Instruction Guide

## Introduction

Thank you for choosing the Forster Powder Funnel with Long Drop Tube. This product is designed to assist with the safe and efficient loading of powder into firearm cases. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction manual.

## General Safety Guidelines

- Always use the powder funnel in a wellventilated area.
- Keep the powder funnel out of reach of children and pets.
- Ensure that the working area is clean and free from any flammable materials.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling powders.
- Avoid using the powder funnel near open flames or heat sources.
- Do not use the funnel for any purpose other than loading powders into firearm cases.

## Specific Safety Precautions for Use

- Ensure that the powder funnel is compatible with the caliber of the cases you are using (universal for 2245 caliber).
- Inspect the funnel for any damage before use. Do not use if damaged.
- Do not exceed recommended powder charges as specified by your reloading manual.
- Always check that the drop tube is properly attached to the main body before use.
- Avoid overfilling cases to prevent spills and potential hazards.
- Store the powder funnel in a cool, dry place when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the powder funnel from its packaging.
- Ensure that the drop tube is securely attached to the main body of the funnel. It should fit snugly without any gaps.

### 2. Usage:

- Place the powder funnel over the case mouth.
- Pour the desired amount of powder into the funnel.
- Allow the powder to flow into the case. Gently tap the funnel if necessary to encourage flow.
- Once filled, carefully remove the funnel from the case.
- Clean the funnel after each use to prevent contamination and ensure longevity.

## Disposal Instructions

- Dispose of the powder funnel in accordance with local regulations.
- If the product is damaged or no longer usable, ensure that it is disposed of in a way that prevents accidental use.
- Do not dispose of any powders or hazardous materials in regular household waste. Follow local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Forster Powder Funnel with Long Drop Tube, please consult your retailer or refer to the manufacturer's website for additional resources and support.

Thank you for prioritizing safety while using the Forster Powder Funnel. Please ensure you follow these guidelines to promote safe practices in your reloading activities.
