# Safety Instruction Guide for 38 SUPER BRASS

## Introduction

Thank you for choosing the 38 SUPER BRASS from Starline Brass. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to minimize risks associated with handling and using brass cartridges.

## General Safety Guidelines

- Always handle brass cartridges with care and keep them out of reach of children.
- Ensure you are familiar with local laws and regulations regarding the use of ammunition components.
- Use appropriate protective equipment, such as safety glasses and gloves, when handling brass.
- Store brass in a cool, dry place away from direct sunlight and moisture to maintain quality.
- Regularly inspect brass for any signs of damage or wear before use.

## Specific Safety Precautions for Use

- Do not use damaged or deformed brass cartridges, as they may cause malfunctions or accidents.
- Ensure that your firearm is compatible with 38 Super cartridges before use.
- Always follow the manufacturer's guidelines for loading and using ammunition.
- Use only recommended powders and primers when reloading to avoid hazardous situations.
- Keep your workspace clean and organized to prevent accidents or misfires.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary equipment, including a reloading press, dies, and safety gear.
- Check that your workspace is well-ventilated and free from distractions.

### 2. Reloading Process:

- Carefully inspect each brass cartridge for any signs of damage.
- Clean the brass if necessary, using an appropriate cleaning solution.
- Follow the reloading instructions specific to your equipment and the 38 Super cartridge.
- Ensure that you are using the correct amount of powder and that it is properly seated.

### 3. Loading the Firearm:

- Load the firearm only when you are ready to shoot.
- Always point the firearm in a safe direction when loading and unloading.
- After loading, check the firearm to ensure it is functioning correctly before use.

### 4. Shooting:

- Always follow all safety rules and guidelines when shooting.
- Be aware of your surroundings and ensure a clear shooting area.
- If a cartridge fails to fire, follow the manufacturer's instructions for dealing with misfires.

## Disposal Instructions

- Dispose of used brass cartridges and any damaged or unusable brass in accordance with local regulations.

- Do not throw brass cartridges in regular trash; consider recycling programs or local hazardous waste disposal options.
- Ensure that all materials are disposed of safely to prevent environmental contamination.

## **Contact Information for Further Support**

For any questions or concerns regarding the 38 SUPER BRASS, please consult your local retailer or the manufacturer. It is important to have access to reliable support for any safetyrelated inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your 38 SUPER BRASS cartridges. Always prioritize safety and be aware of your surroundings when handling ammunition. Thank you for choosing Starline Brass, where quality and safety come first.
