PROHUNTER 35 CALIBER ROUND NOSE BULLETS

Safety Instruction Guide

Introduction

Thank you for choosing the Sierra ProHunter 35 Caliber (0.358") Round Nose Bullets. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. It is crucial to follow these instructions to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place away from heat sources and direct sunlight.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in firearms that are designed for 35 caliber (0.358") bullets.
- Do not exceed the recommended load specifications for your firearm.
- Regularly inspect your firearm and ammunition for signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate protective gear, including safety glasses and hearing protection, when using firearms.
- Always point the firearm in a safe direction when loading or unloading.
- Verify that the firearm is in good working condition before use.
- Do not modify the bullets or attempt to reload them outside of manufacturer specifications.
- Avoid using damaged or corroded bullets as they may pose a safety hazard.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Ensure that you are in a safe location for shooting.
- Gather all necessary equipment, including your firearm, bullets, and protective gear.

2. Loading the Firearm

- Open the action of the firearm.
- Insert the Sierra ProHunter bullets into the magazine or chamber, following the manufacturer's instructions for your specific firearm model.
- Close the action securely.

3. Firing the Bullets

- Aim the firearm at your target while ensuring a safe backdrop.
- Keep your finger off the trigger until you are ready to shoot.
- Fire the bullet while maintaining control of the firearm.

4. PostFiring

- After firing, unload the firearm and ensure it is clear of any ammunition.

- Store any remaining bullets in their original packaging, away from children and unauthorized persons.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local hazardous waste regulations.
- Do not dispose of bullets in regular household trash.
- Contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Sierra ProHunter 35 Caliber Round Nose Bullets, please refer to the manufacturer's website or contact their customer service department for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Sierra ProHunter bullets. Always prioritize safety and stay informed about best practices in ammunition handling and shooting.
