

# WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - L.E.

## WILSON FIRED CASE PISTOL HOLDER 357 MAG

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.

### Attributes

- Name: [L.E. WILSON FIRED CASE PISTOL HOLDER 357 MAG](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749002525

# Safety Instruction Guide for WILSON TRIMMER CASE HOLDERS

## Introduction

Thank you for choosing the WILSON TRIMMER CASE HOLDERS, specifically designed for 357 Magnum fired cases. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before using the trimmer case holders.

## General Safety Guidelines

- Always handle the case holders with care to prevent injury.
- Ensure that you are using the correct case holder for the specific cartridge type.
- Keep the area where you are using the case holder clean and free from obstructions.
- Use the case holder only for its intended purpose as specified in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Keep out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Ensure that the case is securely tapped into the holder before trimming or reaming.
- Do not exceed the recommended pressure when tapping the case into the holder to avoid damage to the case or holder.
- Use caution when operating cutting tools and ensure proper hand positioning to avoid injury.
- Do not attempt to modify the case holder or use it in a way that is not specified in this guide.
- Inspect the case holder regularly for wear or damage. Do not use if damaged.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate WILSON TRIMMER CASE HOLDER for your 357 Magnum fired case.
- Ensure the trimmer is set up according to the manufacturer's instructions.
- Align the case holder with the trimmer cutter face.

### 2. Using the Case Holder:

- Firmly tap the fired case into the case holder until it is secure.
- Once the case is in place, proceed with trimming, inside neck reaming, or case mouth deburring as needed.
- For military crimp removal, follow the specific instructions for that operation.

### 3. PostUsage:

- After use, carefully remove the case from the holder.
- Clean the case holder to remove any debris or residue.
- Store the case holder in a safe and dry location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the case holders in the household waste.

- Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the contact details provided on the packaging or manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the WILSON TRIMMER CASE HOLDERS. Always prioritize safety and remain informed about any product updates or recalls. Thank you for your attention to these important guidelines.
