

# **WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - L.E. WILSON FIRED CASE PISTOL HOLDER .40 S&W**

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.

## **Attributes**

- Name: [L.E. WILSON FIRED CASE PISTOL HOLDER .40 S&W](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749002526

# **Safety Instruction Guide for WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES L.E. WILSON FIRED CASE PISTOL HOLDER .40 S&W**

## **Introduction**

Thank you for choosing the WILSON TRIMMER CASE HOLDERS for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the case holders.

## **General Safety Guidelines**

- Ensure you understand the product's intended use before operating.
- Always inspect the case holder for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses when operating the trimmer.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- **Risk of Injury:** Ensure hands are clear of the cutter area when operating the trimmer to avoid cuts or injuries.
- **Secure Placement:** Always place the case holder on a stable, flat surface to prevent slipping or tipping during use.
- **Proper Handling:** Tap the case firmly into the holder to ensure it is secure before trimming. A loose case may lead to inaccurate cuts or accidents.
- **Avoid Overloading:** Do not attempt to trim more than one case at a time in the holder.
- **Follow Manufacturer Instructions:** Always adhere to the specific instructions provided for the trimmer and case holder.

## **Instructions for Installation and Usage**

### **1. Setting Up the Case Holder:**

- Place the WILSON TRIMMER CASE HOLDER on a stable, flat work surface.
- Ensure that the cutter is properly attached and aligned according to the manufacturer's specifications.

### **2. Inserting the Case:**

- Take the fired case you wish to trim (specifically .40 S&W) and align it with the case holder.
- Firmly tap the case into the holder until it is securely seated.

### **3. Trimming the Case:**

- Once the case is secured, operate the trimmer according to the manufacturer's instructions.
- Monitor the trimming process to ensure the case remains secure in the holder.

### **4. PostOperation Care:**

- After trimming, carefully remove the case from the holder.

- Inspect the case for any damage or defects before reloading.
- Clean the case holder and trimmer according to the manufacturer's maintenance guidelines.

## Disposal Instructions

- Dispose of any damaged or unusable case holders in accordance with local waste disposal regulations.
- Recycle any metal components if applicable, following local recycling guidelines.
- Do not dispose of the product in household waste if it is still functional; consider donating or repurposing.

## Contact Information for Further Support

For any inquiries regarding the WILSON TRIMMER CASE HOLDERS, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details ready for any support requests.

Thank you for using the WILSON TRIMMER CASE HOLDERS safely and responsibly. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
