

WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - L.E. WILSON FIRED CASE PISTOL HOLDER .44 SPECIAL/ MAGNUM

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.

Attributes

- Name: [L.E. WILSON FIRED CASE PISTOL HOLDER .44 SPECIAL/ MAGNUM](#)

Safety Instruction Guide for WILSON TRIMMER CASE HOLDERS

Introduction

Thank you for choosing the WILSON TRIMMER CASE HOLDERS for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of our product. Please read this document carefully before using the product to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always handle the trimmer case holders with care, as improper handling may lead to accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the case holders for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Use only with .44 Special and .44 Magnum fired cases.
- The cutting blades are sharp; avoid direct contact with them.
- Ensure that the case holder is securely fastened before trimming.

- **Avoiding Hazards:**

- Always wear appropriate safety gear, such as safety glasses, to protect your eyes from debris.
- Do not attempt to trim cases while the cutter is in motion.
- Ensure that your workspace is clean and free from obstructions to prevent accidents.

- **Age Restrictions:**

- This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised when using or handling this product.

Instructions for Installation and Usage

1. Installation:

- Place the case holder in a stable position on your workbench or reloading press.
- Ensure that the cutter is aligned correctly with the case holder before use.
- Tap the fired case firmly into the case holder to secure it in place.

2. Usage:

- Adjust the cutter depth according to your trimming requirements.
- Activate the cutter only when the case is securely held in place.
- After trimming, remove the case from the holder carefully to avoid injury.

3. PostUse Care:

- Clean the case holder and cutter after each use to maintain optimal performance.
- Store the product in a dry, safe location away from children and pets.

Disposal Instructions

- Dispose of any damaged or wornout case holders according to local waste management regulations.
- Do not dispose of the product in general household waste. Check for recycling options in your area.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact details provided on the packaging or visit our official website. Always ensure you have the latest information regarding safety recalls and updates.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with WILSON TRIMMER CASE HOLDERS!
