

# WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - L.E.

## WILSON FIRED CASE PISTOL HOLDER .45 COLT

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.

### Attributes

- Name: [L.E. WILSON FIRED CASE PISTOL HOLDER .45 COLT](#)
- Manufacturer: [L.E. WILSON](#)
- Product no.: 749002528

# WILSON TRIMMER CASE HOLDERS Safety Instruction Guide

## Introduction

Thank you for choosing the WILSON TRIMMER CASE HOLDERS for your firearm needs. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before using the case holders.

## General Safety Guidelines

- Always handle the case holders with care to avoid injury.
- Use the product only for its intended purpose: trimming and reaming fired pistol cartridges.
- Keep the case holders out of reach of children and vulnerable individuals.
- Inspect the case holders for any damage or wear before use. Do not use if damaged.
- Store the case holders in a dry place to prevent corrosion or deterioration.

## Specific Safety Precautions for Use

- Ensure that the case is securely tapped into the holder before using the cutter.
- Avoid placing your fingers near the cutter face during operation to prevent cuts or injuries.
- Wear appropriate safety goggles to protect your eyes from debris during trimming.
- Use the case holders on a stable surface to prevent slipping or accidents.
- Do not attempt to modify or alter the case holders in any way.

## Instructions for Installation and Usage

### 1. Installation of Case Holder:

- Select the appropriate WILSON TRIMMER CASE HOLDER for your .45 Colt cartridge.
- Firmly tap the fired case into the holder until it is securely in place.
- Ensure the case is square to the cutter face for optimal trimming results.

### 2. Using the Case Holder:

- Position the trimmer cutter against the case holder with the case inserted.
- Turn the trimmer handle to begin the trimming process.
- Monitor the trimming closely to ensure even cutting and avoid overtrimming.
- After trimming, remove the case from the holder carefully.

### 3. PostUse Care:

- Clean the case holders after each use to remove any debris or residue.
- Store the case holders in their designated storage area when not in use.

## Disposal Instructions

- Dispose of any worn or damaged case holders in accordance with local regulations.
- Do not dispose of the case holders in regular household waste if they contain hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please consult the product packaging or visit the manufacturer's website for contact details.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the WILSON TRIMMER CASE HOLDERS. Thank you for your attention to safety.
