

# WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - FIRED CASE PISTOL HOLDER 9MM LUGER

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.
