

# WILSON TRIMMER CASE HOLDERS, PISTOL CARTRIDGES - FIRED CASE PISTOL HOLDER 10MM

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Trimmer Case Holders](#)

Wilson Case Holders hold the case square to the cutter face for trimming as well as inside neck reaming, case mouth deburring, and military crimp removal. Standard Pistol Case Holders require that cases be tapped into the case holder firmly to hold the case securely due to the straight wall construction. We recommend Q-Style case holders when available for pistol cartridges.

## Attributes

- Name: [FIRED CASE PISTOL HOLDER 10MM](#)
- Manufacturer: [L.E. WILSON](#)

# WILSON TRIMMER CASE HOLDERS Safety Instruction Guide

## Introduction

Thank you for choosing the WILSON TRIMMER CASE HOLDERS for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully and follow all instructions to avoid potential hazards.

## General Safety Guidelines

- Ensure that you are familiar with the operation of the WILSON TRIMMER CASE HOLDERS before use.
- Always inspect the case holders for damage before each use. Do not use damaged products.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when trimming cases.
- Ensure the work area is clean and free of clutter to prevent accidents.
- Keep hands and other body parts away from the cutter face during operation.
- Do not force cases into the holder; tap them in gently to avoid damage.
- Do not exceed the recommended cartridge specifications for the case holders.
- Avoid using the product with cases that show signs of excessive wear or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials and tools before starting.
- Ensure that the WILSON TRIMMER is properly set up and functioning.

### 2. Inserting Cases:

- Choose the appropriate WILSON TRIMMER CASE HOLDER for your 10 mm Auto fired cases.
- Firmly tap the case into the holder until it is securely in place. Ensure that the case is square to the cutter face.

### 3. Trimming Process:

- Align the holder with the cutter face of the trimmer.
- Activate the trimmer according to the manufacturer's instructions.
- Monitor the trimming process closely to ensure safety and accuracy.

### 4. PostUse Care:

- Remove the case from the holder after trimming is complete.
- Clean the case holders regularly to maintain performance and safety.
- Store the case holders in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or wornout case holders according to local regulations.
- Ensure that all components are disposed of in an environmentally friendly manner.
- Do not throw away the product with regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the WILSON TRIMMER CASE HOLDERS, please refer to the manufacturer's contact information provided with your product purchase. Ensure that you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your WILSON TRIMMER CASE HOLDERS responsibly!
