## UNIVERSAL BULLET PULLER

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

Forster makes a collet style bullet puller for standard seven eighths thru 14 threaded presses and a second collet style puller (both use the same Forster collets) for the Co-Ax Press. The FBP1010 puller for standard presses includes a collet tightening handle on top of the puller body. The FUP1010 Puller has a nine sixteenths inch hex top on the puller body which requires a wrench to tighten the collet. Both pullers easily remove bullets from almost any cartridge. Collets are sold separately.

## General Safety Guidelines

- Always use the bullet puller in a wellventilated area.
- Keep the work area clean and organized to prevent accidents.
- Ensure that all users are familiar with the product and its operation.
- Store the bullet puller in a safe place, out of reach of children.
- Inspect the bullet puller and collets regularly for wear or damage.
- Do not use the bullet puller for any purpose other than intended.

## Specific Safety Precautions for Use

- Use only Forster collets with this bullet puller.
- Do not exceed the maximum torque specifications when tightening the collet.
- Wear appropriate safety gear, such as safety glasses and gloves, when using the bullet puller.
- Keep hands and other body parts clear of the puller's moving parts during operation.
- Do not attempt to disassemble or modify the bullet puller.
- If the bullet puller is damaged or malfunctioning, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### Installation

1. **Select the Appropriate Collet:** Choose the correct Forster collet for your cartridge. Collets are sold separately.
2. **Attach the Collet:**
  - For the FBP1010 puller, place the collet onto the puller body and secure it using the collet tightening handle.
  - For the FUP1010 puller, position the collet on the puller body and tighten it using a wrench on the nine sixteenths inch hex top.
3. **Check Tightness:** Ensure that the collet is securely tightened before use.

### Usage

1. **Load the Cartridge:** Insert the cartridge into the collet of the bullet puller.
2. **Tighten the Collet:** Ensure the collet is tightened to securely grip the bullet.
3. **Pull the Bullet:**
  - For the FBP1010, pull the handle down to remove the bullet.
  - For the FUP1010, use the appropriate leverage to pull the bullet out.
4. **Remove the Cartridge:** After the bullet is removed, carefully detach the cartridge from the collet.
5. **Inspect the Bullet and Cartridge:** Check for any damage or irregularities before disposing of or reusing components.

## **Disposal Instructions**

- Dispose of any damaged or wornout collets and cartridges in accordance with local regulations.
- Do not dispose of the bullet puller in regular household waste. Instead, follow recycling guidelines for metal products.
