

# **BULLET PULLER - FORSTER PRODUCTS, INC. STANDARD BULLET PULLER, COLLETS NOT INCLUDED**

[Reloading](#) > [Case Preparation](#) > [Bullet Pullers](#)

Forster makes a collet style bullet puller for standard seven eighths thru 14 threaded presses and a second collet style puller (both use the same Forster collets) for the Co-Ax Press. The FBP1010 puller for standard presses includes a collet tightening handle on top of the puller body. The FUP1010 Puller has a nine sixteenths inch hex top on the puller body which requires a wrench to tighten the collet. Both pullers easily remove bullets from almost any cartridge. Collets are sold separately.

# BULLET PULLER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Forster Products, Inc. Standard Bullet Puller. This guide provides essential safety instructions and usage guidelines to ensure safe operation and maintenance of your bullet puller. Please read this manual carefully before use.

## General Safety Guidelines

- Always use the bullet puller in a wellventilated area and away from flammable materials.
- Keep the bullet puller out of reach of children and vulnerable individuals.
- Inspect the bullet puller for any damage before each use. Do not use if damaged.
- Use the bullet puller only for its intended purpose as described in this manual.
- Wear appropriate safety gear, including eye protection, when using the bullet puller.
- Ensure that you are familiar with the operation of your reloading press before using the bullet puller.

## Specific Safety Precautions for Use

- Handle all cartridges with care to avoid accidents.
- Do not attempt to pull bullets from live ammunition. Ensure all cartridges are deactivated before use.
- Follow the manufacturer's instructions for tightening the collet to prevent accidental release of the bullet during use.
- Avoid placing your hands or fingers near the collet area while the bullet puller is in operation.
- Be cautious of any debris or fragments that may be released during the bullet pulling process.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the bullet puller is compatible with your reloading press (standard seventeighths through 14 threaded presses or CoAx Press).
- Gather all necessary tools, including a wrench for tightening the collet.

### 2. Installation:

- Attach the bullet puller to your reloading press according to the manufacturer's instructions.
- If using the FBP1010 model, use the collet tightening handle located on the top of the puller body.
- If using the FUP1010 model, use a wrench to tighten the ninesixteenths inch hex top on the puller body.

### 3. Usage:

- Insert the cartridge into the collet of the bullet puller.
- Securely tighten the collet to hold the cartridge in place.
- Operate the reloading press to pull the bullet from the cartridge. Ensure that you are following all safety precautions during this process.
- Once the bullet is removed, carefully release the collet and remove the cartridge.

### 4. PostUse:

- Inspect the bullet puller for any signs of wear or damage after each use.
- Clean the bullet puller to remove any residue or debris.
- Store the bullet puller in a safe and dry location, out of reach of children.

## Disposal Instructions

- Dispose of any damaged or wornout components of the bullet puller in accordance with local regulations.
- Ensure that all deactivated cartridges are disposed of safely and responsibly.
