# EZEE FLOW POWDER TRICKLER Safety Instruction Guide

## Introduction

Thank you for choosing the EZEE FLOW POWDER TRICKLER by Lyman. This product is designed to enhance your reloading experience by providing precise powder dispensing. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Always use the powder trickler in a wellventilated area to avoid inhalation of powder particles.
- Keep the product out of reach of children and pets.
- Do not use the powder trickler for any purpose other than its intended use.
- Regularly check for wear and tear on the product. Discontinue use if any parts are damaged.
- Ensure that the work area is clean and free from any flammable materials when using the powder trickler.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle powders with care. Avoid direct contact with skin and eyes.
- Wear safety goggles and a dust mask when operating the powder trickler to protect against powder exposure.
- Do not exceed the weight limit specified by the scale you are using with the trickler.
- Ensure that the trickler is securely placed on a stable surface to prevent tipping.
- Avoid using the trickler in damp or wet conditions, as this can affect its operation and safety.

## Instructions for Installation and Usage

### 1. Unboxing and Inspection

- Carefully unpack the EZEE FLOW POWDER TRICKLER and inspect it for any damage.
- Ensure all components are included as per the product specifications.

### 2. Setting Up the Powder Trickler

- Place the powder trickler on a stable and level surface.
- Adjust the base of the trickler up or down to match the height of your scale.
- If using a larger base scale, extend the powder trickler tube to reach the powder pan.

### 3. Using the Powder Trickler

- Pour the desired amount of powder into the powder trickler tube.
- Gently turn the trickler's knob to dispense powder into the scale pan.
- Monitor the scale reading closely to avoid overdispensing.

### 4. PostUse Care

- After use, clean the powder trickler to remove any residual powder.
- Store the trickler in a dry and secure location.

## **Disposal Instructions**

- Dispose of the EZEE FLOW POWDER TRICKLER in accordance with local regulations.
- Do not dispose of any residual powder in the regular trash. Follow local guidelines for hazardous materials disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact information provided on the product packaging or visit Lyman's official website.

By following these safety instructions, you can ensure a safe and efficient experience with your EZEE FLOW POWDER TRICKLER. Thank you for your attention to safety and for choosing Lyman products.
