[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [General Wrenches](#)

**BALLDRIVER® HEX KEY L-WRENCH SETS** The Bondhus BallDriver® Hex Key L-Wrench Sets are essential tools for gunsmiths and firearm enthusiasts, offering precision and versatility for various maintenance and assembly tasks. These sets feature ball-end hex wrenches that allow for angled entry up to 25 degrees, facilitating access to screws in confined or challenging spaces.

**Available Sets:** 6-Piece Metric Set: This set accommodates sizing ranges from 1.5mm to 5mm which are useful for sight adjustments, trigger work and some accessory installations. 8-Piece Standard Set: Focused on standard sizes ranging from .050" to 5/32", this set is ideal for common firearm maintenance tasks.

**13-Piece Set: Standard Set:** These wrenches are ideal for maintenance and adjustment of various firearms components. **22-Piece Combo Set:** This comprehensive set includes both metric and standard (SAE) sizes, providing a wide range of wrenches to accommodate various applications.

**Key Features:** **Ball-End Design:** Allows for angled entry up to 25 degrees, enabling access to fasteners in tight or obstructed areas. **Durable Construction:** Made from high-quality materials, these wrenches are designed to withstand regular use without compromising performance. **Convenient Storage:** Each set comes with a special holder that locks the wrenches in place, ensuring organized storage and easy access.

**Customer Insights:** Customers appreciate the Bondhus BallDriver® Hex Key L- Wrench Sets for their durability and the convenience of the ball-end design, which simplifies working in tight spaces. The secure storage holders are also praised for keeping the wrenches organized and readily accessible. Incorporating the Bondhus BallDriver® Hex Key L- Wrench Sets into your toolkit enhances your ability to perform precise and efficient firearm maintenance and assembly. Their thoughtful design and robust construction make them valuable assets for both professional gunsmiths and hobbyists.

# **Safety Instruction Guide for BALLDRIVER® HEX KEY LWRENCH SETS BONDHUS BALLDRIVER STANDARD HEX KEY LWRENCH (.053/8) 13PIECE SET**

## **Introduction**

Thank you for choosing the BALLDRIVER® HEX KEY LWRENCH SETS by Bondhus. These industrial hex wrench sets are designed for both professional and personal use, making them an essential tool for your workshop or maintenance tasks. This guide provides important safety instructions to ensure the safe and effective use of your new hex key set.

## **General Safety Guidelines**

- Always read and follow the instructions provided in this manual before using the hex wrench set.
- Ensure that the workspace is clean and free of any hazards before beginning any work.
- Keep the hex wrench set out of reach of children and vulnerable individuals to prevent accidental injury.
- Inspect the wrenches before each use for any signs of damage or wear. Do not use damaged tools.
- Use the correct size wrench for the job to avoid stripping screws or damaging the tool.
- Store the wrenches in their designated holder to prevent loss and ensure they are organized.

## **Specific Safety Precautions for Use**

- When using the ball driver ends, avoid applying excessive force that may cause the wrench to slip.
- Use the wrenches at angles no greater than 25 degrees to maintain control and prevent accidents.
- Always wear appropriate safety gear, such as gloves and eye protection, when using tools.
- Do not use the hex wrenches for purposes other than intended (e.g., prying or hammering).
- If you experience any discomfort or pain while using the tools, stop immediately and consult a professional.

## **Instructions for Installation and Usage**

### **1. Selecting the Right Wrench:**

- Choose the appropriate size hex wrench from the set based on the fastener you are working with.

### **2. Using the Wrench:**

- Insert the long end of the wrench into the fastener.
- If using the ball driver end, position the wrench at an angle of no more than 25 degrees.
- Turn the wrench clockwise to tighten or counterclockwise to loosen the fastener.
- Apply steady pressure, avoiding sudden jerks or excessive force.

### **3. Storing the Wrench Set:**

- After use, return each wrench to its designated spot in the holder.
- Ensure the holder is securely closed to prevent the wrenches from falling out during storage.

## **Disposal Instructions**

- Dispose of the hex wrench set responsibly in accordance with local regulations.
- If the wrenches are damaged beyond repair, consider recycling the metal components where possible.
- Do not dispose of the wrenches in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your BALLDRIVER® HEX KEY LWRENCH SETS, please refer to your local distributor or manufacturer for assistance.

Please ensure to stay updated on safety regulations and product recalls. Report any unsafe products and accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority.
