

FLEXIBLE CHAMBER SWAB TOOL - SINCLAIR INTERNATIONAL

FLEXIBLE CHAMBER SWAB TOOL

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Tools](#)

Our Flexible Chamber Swab Tool is a great chamber tool for your favorite lever, pump or semi-auto rifle because you can insert it through the rifles' ejection port without disassembling the rifle. Accepts all 8-32 male threaded cleaning accessories including the losso AR brushes, our AR-15 and AR-10 chamber brushes and swabs, and all Dewey brushes, bore mops and chamber swabs. The 10-inch usable length also allows you to use the Flexible Chamber Tool with your AR style rifles with the upper and lower separated. Complete with our large, comfortable Sinclair handle.

Flexible Chamber Swab Tool Safety Instructions

Introduction

Thank you for choosing the Flexible Chamber Swab Tool from Sinclair International. This tool is designed to make cleaning your lever, pump, or semiauto rifle easier and safer. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the Flexible Chamber Swab Tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use to ensure it is in good condition.
- Do not use the tool if it appears damaged or worn.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before using the Flexible Chamber Swab Tool.
- Do not insert the tool into the firearm's chamber while the firearm is loaded or cocked.
- Always handle the tool with care to avoid injury.
- Use only compatible 832 male threaded cleaning accessories with the tool.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning accessories compatible with the Flexible Chamber Swab Tool.

2. Using the Tool:

- Insert the Flexible Chamber Swab Tool through the ejection port of your rifle.
- Attach your chosen cleaning accessory (e.g., Iosso AR brushes, AR15 or AR10 chamber brushes, or swabs).
- Gently move the tool in and out of the chamber to clean effectively.
- For AR style rifles, the 10inch usable length allows for use with the upper and lower separated.

3. PostUse:

- Remove the cleaning accessory from the tool.
- Clean the Flexible Chamber Swab Tool after use and store it in a safe place.

Disposal Instructions

- Dispose of the Flexible Chamber Swab Tool in accordance with local regulations.
- If the tool is damaged beyond use, please ensure it is discarded safely to prevent any risk of injury.

Contact Information for Further Support

For further support or inquiries regarding the Flexible Chamber Swab Tool, please refer to the manufacturer's contact details provided in the product packaging or visit the official Sinclair International website.

Thank you for your attention to these safety instructions. Enjoy using your Flexible Chamber Swab Tool safely and effectively!
