Safety Instruction Guide for .17 to .45 Cal Chamfer & Deburring Tool

Introduction

Thank you for choosing the .17 to .45 Cal Chamfer & Deburring Tool by L.E. Wilson. This tool is designed for deburring and chamfering the case mouths of rifle and handgun cartridges. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always read and understand the instructions before using the tool.
- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use personal protective equipment (PPE) such as safety glasses and gloves to prevent injury.
- If you experience any discomfort or unusual reactions while using the tool, stop using it immediately and consult a professional.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp edges can cause cuts or punctures.
 - Improper use can lead to injury or damage to the tool.
- **Avoiding Hazards:**
 - Always handle the tool with care, ensuring that your hands are dry and free from any substances that may cause slippage.
 - Do not apply excessive force when using the tool; let the tool do the work.
 - Ensure that the work area is clean and free from obstructions.
- **Age Specific Warnings:**
 - This tool is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

- **Installation:**
 1. If using the Sinclair Deburring Tools Holder (#749002628), securely attach the tool to the holder.
 2. Ensure that the holder is compatible with your power drill or screwdriver.
- **Usage:**
 1. Insert the case into the tool, ensuring it is properly aligned.
 2. Use a power drill or screwdriver to gently rotate the tool against the case mouth.
 3. Apply light pressure to chamfer and deburr both the inside and outside of the case mouth.
 4. After use, inspect the case mouth to ensure it has been adequately deburred and chamfered.
- **PostUse Care:**

- Clean the tool after use to remove any debris or residue.
- Store the tool in a safe, dry place away from children.

Disposal Instructions

- Dispose of the tool in accordance with local regulations concerning metal products.
- Do not dispose of the tool in regular household waste.
- If the tool is damaged beyond repair, consider recycling the metal components.

Contact Information for Further Support

For safety inquiries or concerns, please contact the manufacturer or authorized dealer. Ensure that you have the product information available when reaching out for assistance.

By following these guidelines, you can ensure a safe and effective experience with the .17 to .45 Cal Chamfer & Deburring Tool. Thank you for your attention to safety.
