Introduction

Thank you for choosing the Benchrest Targets from ROCKWOOD CORP. These regulation targets are designed for realistic practice and competitive matches. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that all users are aware of the safety guidelines for handling and using targets.
- Always supervise children when using targets.
- Use targets only in designated shooting areas that comply with local laws and regulations.
- Regularly inspect targets for damage before use. Do not use damaged targets.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use appropriate firearms and ammunition that are suitable for the targets.
- Maintain a safe distance from the target area, as per local shooting regulations.
- Always wear appropriate eye and ear protection while shooting.
- Never point a firearm at anything you do not intend to shoot.
- Ensure that the target area is clear of people and animals before shooting.
- Follow all local laws regarding the use of firearms and targets.

Instructions for Installation and Usage

1. Setup

- Unpack the targets from the flat packaging.
- Ensure the targets are placed on a stable and secure backing to prevent movement during use.
- Position the targets at the recommended distance (300 yards) from the shooting location.

2. Usage

- Aim carefully and ensure that the firearm is in proper working condition.
- Take turns shooting if in a group setting to maintain safety.
- After shooting, check the targets for accuracy and any damage.

3. PostUse

- Remove the targets from the shooting area after use.
- Dispose of used targets according to local waste disposal regulations.

Disposal Instructions

- Dispose of targets in accordance with local waste management guidelines.
- If targets are damaged or torn, ensure they are disposed of safely to avoid environmental hazards.
