

# XTP® .38 CALIBER (0.357") JACKETED HOLLOW POINT BULLETS - XTP® 38 CALIBER (0.357") 158GR JACKETED HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Designed for hunting, self-defense and law enforcement applications, the XTP® bullet demonstrates the kind of accuracy that led many competitive shooters to adopt it. Reliable performance makes the XTP® the most popular handgun bullet for both target shooters and hunters. But it's the stopping power of the XTP® bullet that has truly built its world-class reputation. From the onset, XTP® bullets were specifically designed to expand reliably at a wide range of handgun velocities to deliver deep penetration with every shot. PRODUCT FEATURES CONTROLLED EXPANSION Precise serrations divide the XTP® into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. NO EXPOSED LEAD The gilding metal jacket protects the nose of the bullet, so the hollow cavity functions properly on impact and ensures proper feeding in semi-automatics. SWAGED CORE Total uniformity of core density ensures balanced expansion as well as in-flight stability. DRAWN GILDING METAL JACKET Expansion is controlled by varying jacket thickness down the length of the XTP®, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. CANNELURE On revolver bullets, the cannelure helps achieve accurate, consistent crimping. All cannelures are applied before the final forming process to eliminate any distortion to the finished bullet.

## Attributes

- Name: [XTP® 38 CALIBER \(0.357"\) 158GR JACKETED HOLLOW POINT 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749002563
- Mfr. No.: 35750
- Bullet Style: Hollow Point Extreme Terminal Performance (HPXTP)
- Caliber: 38 Caliber
- Diameter (in): 0.357
- Grain: 158
- Quantity: 100
- Delivery weight: 1.066kg
- Shipping height: 56mm
- Shipping width: 53mm
- Shipping length: 107mm
- UPC: 090255235753

## Item details

Made in USA

US export classification: 0A505.x

# XTP® .38 CALIBER (0.357") JACKETED HOLLOW POINT BULLETS Safety Instruction Guide

## Introduction

Thank you for choosing the XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to minimize risks and ensure proper handling.

## General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a cool, dry place, away from children and unauthorized users.
- Use only in firearms specifically designed for .38 caliber ammunition.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Regularly check for recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Controlled Environment:** Use this ammunition only in a controlled environment, such as a shooting range.
- **Protective Gear:** Always wear appropriate protective gear, including eye and ear protection, when handling or firing ammunition.
- **Handling:** Avoid touching the bullet tip or hollow cavity to prevent contamination and ensure proper function.
- **Inspection:** Before use, inspect each bullet for any signs of damage or defects. Do not use damaged bullets.
- **Age Restrictions:** This product is intended for use by individuals who are legally allowed to handle firearms and ammunition. Ensure that all users are of legal age and have the necessary training.

## Instructions for Installation and Usage

- **Loading:**
  - Load the ammunition into the firearm according to the manufacturer's instructions for your specific firearm model.
  - Ensure that the ammunition is seated properly in the chamber.
- **Firing:**
  - Always aim in a safe direction and ensure the area is clear before firing.
  - Follow the firearm manufacturer's guidelines for safe operation.
- **Cleaning:**
  - After use, clean your firearm according to the manufacturer's recommendations to maintain optimal performance and safety.

## Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local laws and regulations.
- Do not throw ammunition in regular trash. Contact local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries related to safety or product performance, please refer to the manufacturer's contact points or consult your local authority for assistance.

By following these guidelines, you can ensure a safer experience while using XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets. Always prioritize safety and responsibility when handling firearms and ammunition.
