

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL HALL ACTION RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

## Attributes

- Name: [SINCLAIR INTERNATIONAL HALL ACTION RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002569
- Mfr. No.:

# Safety Instruction Guide for Sinclair Rimfire Guides

## Introduction

Thank you for choosing the Sinclair Rimfire Guide for your .22 Long Rifle. This guide provides important safety information to ensure the safe and effective use of this product. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the rimfire guide is compatible with your specific rifle model.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the rimfire guide for wear or damage before each use.
- Do not use the guide if it appears damaged or malfunctioning.
- Store the rimfire guide in a safe and dry location when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the rimfire guide.
- Use the rimfire guide only for its intended purpose: cleaning and maintenance of rimfire rifles.
- Do not attempt to modify the rimfire guide in any way.
- Avoid using excessive force when inserting or removing the rimfire guide.
- Be cautious of ejector and trigger parts when cleaning from the breech.
- Always wear appropriate eye protection when cleaning firearms.
- Dispose of cleaning solvents and materials in accordance with local regulations.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies and solvents.

### 2. Installation

- Align the rimfire guide with the breech of the rifle.
- Gently insert the guide until it is securely in place.
- Ensure that the guide is seated properly and does not obstruct any moving parts.

### 3. Usage

- Attach the cleaning rod to the rimfire guide.
- Use appropriate cleaning solvents and materials for your rifle.
- Clean the barrel according to the manufacturer's recommendations.
- After cleaning, remove the cleaning rod and rimfire guide carefully.

### 4. PostUse

- Inspect the rimfire guide for any signs of wear or damage.
- Clean the rimfire guide if necessary and store it properly.

## **Disposal Instructions**

- Dispose of the rimfire guide according to local waste management regulations.
- Do not dispose of the guide in regular household waste if it is damaged.
- Contact local authorities for guidance on the safe disposal of firearm accessories.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please consult the official Sinclair International website or your local retailer.

By following these guidelines, you can ensure safe and effective use of the Sinclair Rimfire Guide. Thank you for your attention to safety and proper handling.
