

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL STOLLE SWINDELHURST RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

## Attributes

- Name: [SINCLAIR INTERNATIONAL STOLLE SWINDELHURST RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002574
- Mfr. No.: RG4SWIN

# Safety Instruction Guide for Sinclair Rimfire Guides for .22 Long Rifle

## Introduction

Thank you for choosing the Sinclair Rimfire Guides for .22 Long Rifle. This guide provides essential safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the product is suitable for your specific rifle model.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe conditions or product failures to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or using the rod guide.
- Do not attempt to clean or maintain the firearm while it is loaded.
- Be aware of the ejectors and trigger parts in the breech area, as they may obstruct the cleaning process.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the rod guide.
- Always wear appropriate eye protection when cleaning firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including solvent, patches, and the Sinclair Rimfire Guide.

### 2. Installation:

- Select the appropriate Sinclair Rimfire Guide for your rifle model (note: the Anschutz Model 54 guide does not include an integral solvent port).
- Align the rod guide with the breech of the firearm.
- Insert the rod guide carefully, ensuring it fits securely.

### 3. Cleaning Process:

- Attach the cleaning rod to the rod guide.
- Apply solvent to the cleaning patch or brush.
- Insert the cleaning rod through the rod guide and into the barrel.
- Move the rod back and forth gently to clean the barrel.
- Remove the rod guide after cleaning is complete.

### 4. PostCleaning:

- Inspect the rod guide for any signs of wear or damage.
- Store the rod guide in a safe and dry location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste unless specified by local authorities.
- If the product is damaged or no longer usable, consider recycling it if possible.

## Contact Information for Further Support

For any inquiries or further assistance regarding the Sinclair Rimfire Guides, please refer to the manufacturer's contact information provided on the packaging or official website.

Thank you for following these safety instructions. Your adherence to these guidelines helps ensure a safe and enjoyable experience with your Sinclair Rimfire Guide.
