

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL BROWNING A-BOLT RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

## Attributes

- Name: [SINCLAIR INTERNATIONAL BROWNING A-BOLT RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002587
- Mfr. No.: RG4BAB

# Safety Instruction Guide for Sinclair Rimfire Guides

## Introduction

Thank you for choosing the Sinclair Rimfire Guide for your Browning ABolt .22 Long Rifle. This guide is designed to ensure the safe and effective use of the product. Please read this manual carefully before use to understand the safety precautions and proper handling procedures.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the firearm is unloaded before attaching or detaching the rod guide.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not attempt to use the rod guide if it is damaged or has missing parts.
- Avoid using the rod guide with incompatible firearms or cleaning supplies.
- Be cautious of the ejectors and trigger parts when cleaning from the breech.
- Ensure that the area is wellventilated when using cleaning solvents.
- Always follow the cleaning solvent manufacturer's safety instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies and the Sinclair Rimfire Guide.

### 2. Installation:

- Align the rod guide with the chamber of the firearm.
- Gently insert the rod guide into the chamber until it fits snugly.
- Ensure that the guide is properly seated and that there are no obstructions.

### 3. Usage:

- Attach the cleaning rod to the solvent port of the rod guide (if applicable).
- Apply the appropriate cleaning solvent to the cleaning rod.
- Insert the cleaning rod into the barrel through the rod guide.
- Clean the barrel following the solvent manufacturer's instructions.

### 4. PostUse:

- Remove the cleaning rod and rod guide from the firearm carefully.
- Clean and store the rod guide in a safe place when not in use.

## Disposal Instructions

- Dispose of any cleaning solvents and materials in accordance with local regulations.

- If the rod guide is no longer usable, check local guidelines for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the appropriate contact point provided by the manufacturer or local authorities. Always ensure that you are following the latest safety guidelines and regulations.

By adhering to these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair Rimfire Guide. Thank you for prioritizing safety.
