# Safety Instruction Guide for Specialty Cleaning Rod Guides

## Introduction

Thank you for choosing the Specialty Cleaning Rod Guides by Sinclair International for your Ruger® 77/22 Bore Guide. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before use.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before using the cleaning rod guide.
- Keep the cleaning rod guide out of reach of children and pets.
- Use the product only for its intended purpose as specified in the product description.
- Inspect the cleaning rod guide for any damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Ensure that the cleaning area is wellventilated and free from flammable materials.
- Avoid using excessive force when inserting or removing the cleaning rod guide to prevent damage to the firearm or the guide itself.
- Do not use the cleaning rod guide with incompatible cleaning rods or solvents.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety glasses, when handling cleaning solvents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove any existing cleaning components from the bore.
- Insert the cleaning rod guide into the chamber of the Ruger 77/22, ensuring a snug fit.
- If applicable, connect the solvent port to your cleaning solvent.

### 2. Usage:

- Insert the cleaning rod through the guide and into the bore.
- Clean the bore according to the cleaning solvent manufacturer's instructions.
- After cleaning, remove the cleaning rod and guide from the firearm.
- Wipe down the cleaning rod guide with a soft, dry cloth after each use to maintain its condition.

## Disposal Instructions

- Dispose of any cleaning solvents and materials according to local regulations.
- Do not dispose of the cleaning rod guide in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## Contact Information for Further Support

For any questions regarding the use or safety of the Specialty Cleaning Rod Guides, please refer to the manufacturer's website or customer support resources.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective cleaning process for your Ruger® 77/22. Always prioritize safety and compliance with local regulations when handling firearms and cleaning equipment. Thank you for your attention to these important safety measures.
