

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL ANSCHUTZ 1451T RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

## Attributes

- Name: [SINCLAIR INTERNATIONAL ANSCHUTZ 1451T RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002597

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the Sinclair Rimfire Guides for 22 Long Rifle. This guide provides important safety instructions and information regarding the safe use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product to ensure safe and effective operation.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse and accidents.
- Use the product in a well-ventilated area to avoid inhalation of any cleaning solvents.
- Follow all local laws and regulations regarding the use of firearms and cleaning equipment.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU Safety Gate platform regularly.

### Specific Safety Precautions for Use

- Do not attempt to use the rimfire guides without first reading the instructions thoroughly.
- Ensure that the firearm is unloaded and pointed in a safe direction before attaching or using the guide.
- Avoid using solvents that are not recommended for use with the Sinclair Rimfire Guides.
- Do not force the rod guide into the chamber; this may cause damage to the firearm and the guide.
- If you experience any resistance while using the guide, stop immediately and check for obstructions.
- Always wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling solvents and cleaning materials.
- Do not leave the rod guide unattended while in use.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary cleaning supplies and solvents.

#### 2. Attaching the Guide:

- Align the Sinclair Rimfire Guide with the chamber of the firearm.
- Gently insert the guide into the chamber, ensuring a snug fit without forcing it.
- If applicable, connect the Sinclair Solvent Port to the guide for solvent application.

#### 3. Cleaning Procedure:

- Apply the recommended cleaning solvent to the cleaning rod or directly into the solvent port.
- Insert the cleaning rod into the guide and pass it through the barrel, following the manufacturer's instructions for cleaning.
- Remove the guide carefully after cleaning, ensuring no solvent spills.

#### 4. PostCleaning:

- Inspect the guide for any signs of wear or damage after use.
- Clean the guide according to the manufacturer's recommendations before storing.

## **Disposal Instructions**

- Dispose of any cleaning solvents and materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check local guidelines for proper disposal methods of cleaning equipment.
- If the product is damaged beyond use, contact local waste management facilities for guidance on disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the Sinclair Rimfire Guides, please refer to the contact details provided on the packaging or the manufacturer's website. Ensure you have the product information ready for a prompt response.

Thank you for your attention to these safety instructions. Enjoy the safe and effective use of your Sinclair Rimfire Guides.
