

SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL SAKO FINNFIRE RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

Attributes

- Name: [SINCLAIR INTERNATIONAL SAKO FINNFIRE RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002604

Safety Instruction Guide for Sinclair Rimfire Guides for 22 Long Rifle

Introduction

Thank you for choosing the Sinclair Rimfire Guides for 22 Long Rifle. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Awareness:** The use of rod guides may involve risks associated with cleaning firearms. Ensure that the firearm is unloaded and pointed in a safe direction before use.
- **Avoid Contact with Ejectors and Trigger Parts:** When using the rod guide, be cautious of ejectors and trigger parts that may obstruct the cleaning process.
- **No Oiling:** This product does not include an Oiling due to size constraints. Ensure proper fit and functionality when using the rod guide.
- **Age Restrictions:** This product is intended for adult users. Keep it away from children and individuals who may not understand its use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and in a safe position.
- Gather all necessary cleaning supplies, including the rod guide and solvent.

2. Installation of the Rod Guide:

- Align the rod guide with the breech of the firearm.
- Gently insert the rod guide into the breech, ensuring that it fits securely without forcing it.
- Ensure that the rod guide is correctly positioned to avoid interference with any internal components.

3. Using the Rod Guide:

- Attach the cleaning rod to the rod guide.
- Apply the appropriate solvent to the cleaning patch or brush.
- Insert the cleaning rod through the rod guide and carefully clean the barrel from the breech end.
- Avoid excessive force to prevent damage to the firearm or the rod guide.

4. PostUse:

- After cleaning, remove the rod guide and clean it according to the manufacturer's

recommendations.

- Store the rod guide in a safe and dry location.

Disposal Instructions

- Dispose of any cleaning materials and used solvents in accordance with local regulations.
- The rod guide itself can be disposed of as regular waste unless it is damaged or contains hazardous materials. In such cases, follow local disposal guidelines for hazardous waste.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the Sinclair Rimfire Guides for 22 Long Rifle, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety and the safe use of this product are our top priorities.
