

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL COOPER MODEL 57 RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

## Attributes

- Name: [SINCLAIR INTERNATIONAL COOPER MODEL 57 RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002608
- Mfr. No.: RG4C57
- Action Fit: Cooper 57 (22LR)
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 53mm
- Shipping length: 244mm

# Safety Instruction Guide for Sinclair Rimfire Guides for .22 Long Rifle

## Introduction

Thank you for choosing the Sinclair Rimfire Guides for .22 Long Rifle. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and cleaning products with care.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any visible damage before use.
- If you notice any defects or irregularities, do not use the product and contact customer support.
- Follow all local laws and regulations regarding firearms and cleaning equipment.
- Store the product in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or using the rod guide.
- Use the rod guide only with compatible firearms (e.g., Cooper Model 57).
- Do not force the rod guide into the barrel; it should fit snugly but not excessively tight.
- Avoid using excessive force when cleaning to prevent damage to the firearm.
- Always wear safety glasses when cleaning firearms to protect your eyes from solvents and debris.
- Ensure proper ventilation when using solvents or cleaning agents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including solvents and cleaning rods.

### 2. Installation:

- Align the rod guide with the breech of the firearm.
- Gently insert the rod guide into the chamber until it is fully seated.
- Ensure that the guide is securely in place before proceeding.

### 3. Usage:

- Attach the cleaning rod to the rod guide.
- Apply the appropriate solvent to the cleaning patch or brush.
- Insert the cleaning rod through the rod guide and into the barrel.
- Pull the rod back and forth gently to clean the barrel.
- After cleaning, remove the rod guide by gently pulling it out of the chamber.

### 4. PostUse:

- Clean the rod guide with a suitable solvent and dry it before storage.
- Store the rod guide in a safe location away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any cleaning solvents and materials according to local regulations.
- Do not dispose of the rod guide in regular household waste. Instead, recycle where possible.
- Check local guidelines for the proper disposal of firearms cleaning supplies.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to your local authorities or check the EU's Safety Gate platform for updates and information.

By following these guidelines and instructions, you can ensure a safe and effective cleaning experience with your Sinclair Rimfire Guides for .22 Long Rifle. Thank you for your attention to these important safety measures.
