

SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL CZ 452 RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Sinclair Rimfire Guides for 22 Long Rifle. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully to maximize safety and performance.

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before attaching or using the rod guide.
- Use the product only for its intended purpose as described in this guide.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rod guide for any signs of wear or damage before each use.
- If you encounter any issues, stop using the product immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the rod guide is compatible with your specific firearm model (CZ 452).
- Do not attempt to modify the rod guide in any way, as this may compromise safety.
- Avoid using excessive force when cleaning to prevent damage to the firearm or rod guide.
- Always follow the cleaning instructions provided by the firearm manufacturer.
- Use only recommended solvents and cleaning materials with the rod guide.
- Be aware of the ejectors and trigger parts within the firearm that may obstruct cleaning.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials and solvents.

2. Installation of the Rod Guide

- Remove the bolt from the firearm according to the manufacturer's instructions.
- Insert the Sinclair Rimfire Rod Guide into the chamber of the firearm.
- Ensure a snug fit but do not force the rod guide into place.

3. Cleaning Process

- Attach the cleaning rod to the rod guide.
- Apply the recommended solvent to the cleaning patch or brush.
- Insert the cleaning rod through the rod guide and into the barrel.
- Pull the cleaning rod back and forth gently to clean the barrel.
- Repeat as necessary, ensuring to change patches or brushes as needed.

4. PostCleaning

- Remove the rod guide from the chamber after cleaning.
- Reassemble the firearm according to the manufacturer's instructions.
- Store the rod guide in a safe and dry location.

Disposal Instructions

- Dispose of any cleaning solvents and materials according to local regulations.
- Do not dispose of the rod guide in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please contact the appropriate EUbased contact point for your region. Ensure you have the product details ready for reference.

By following these safety instructions, you will help ensure a safe and effective cleaning experience with your Sinclair Rimfire Guides for 22 Long Rifle. Thank you for your attention to safety.
