

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL KIMBER 82 RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

## Attributes

- Name: [SINCLAIR INTERNATIONAL KIMBER 82 RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002616
- Mfr. No.: RG4K82

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the Sinclair Rimfire Guides for your 22 Long Rifle. This guide provides essential safety instructions to ensure the proper and safe use of this product. Please read the following information carefully to maximize safety and performance.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or using the rimfire guide.
- Keep the rimfire guide and all cleaning equipment out of reach of children and unauthorized users.
- Inspect the rimfire guide for any visible damage before use. Do not use if damaged.
- Follow all manufacturer instructions for your specific firearm model.
- Use only compatible cleaning rods and solvents with the rimfire guide.
- Be aware of your surroundings and ensure that you are in a safe environment while cleaning your firearm.

### Specific Safety Precautions for Use

- The rimfire guide is designed for specific models. Ensure compatibility with your firearm:
  - Action Fit: Marlin 883, Remington 541, Remington 541T, Kimber 82 (pre2000).
- Avoid using the rimfire guide with any other models not listed, as this may cause damage or unsafe conditions.
- Do not attempt to modify the rimfire guide in any way.
- Be cautious of the ejectors and trigger parts when cleaning from the breech, as they may obstruct the cleaning process.
- Do not use an O-ring with the rimfire guide, as this may hinder proper function.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure that your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning tools, including a compatible cleaning rod and solvent.

#### 2. Installation of the Rimfire Guide

- Insert the rimfire guide into the breech of the firearm.
- Ensure that it fits securely and that there are no gaps.

#### 3. Cleaning Procedure

- Attach the cleaning rod to the rimfire guide.
- Apply the appropriate solvent to the cleaning patch or brush.
- Gently push the cleaning rod through the barrel, using a backandforth motion as needed.
- Remove the rod and guide carefully after cleaning.

#### 4. PostCleaning

- After cleaning, remove the rimfire guide and inspect it for any residue or damage.
- Store the rimfire guide in a safe place away from children.

## Disposal Instructions

- Dispose of any cleaning materials, such as used patches or brushes, in accordance with local regulations.
- If the rimfire guide becomes damaged beyond repair, dispose of it responsibly at a designated waste facility.

## Contact Information for Further Support

For safety inquiries or concerns regarding the Sinclair Rimfire Guide, please reach out to your local distributor or refer to the manufacturer's website for additional support and resources. Regularly check for updates on product recalls and safety notices through the EU Safety Gate platform.

By following these guidelines, you can ensure that your experience with the Sinclair Rimfire Guides is safe and effective. Thank you for your attention to these important safety measures.
