

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE - SINCLAIR INTERNATIONAL REMINGTON 40X RIMFIRE ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

## Attributes

- Name: [SINCLAIR INTERNATIONAL REMINGTON 40X RIMFIRE ROD GUIDE](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002622
- Mfr. No.:

# SINCLAIR RIMFIRE GUIDES FOR 22 LONG RIFLE

## User Safety Instructions

### Introduction

Thank you for choosing the Sinclair Rimfire Guides for 22 Long Rifle. This product is designed to assist you in cleaning your rimfire rifles safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always ensure that the firearm is unloaded before using the rod guide.
- Keep the rod guide and all cleaning materials out of reach of children.
- Use the product only for its intended purpose as specified.
- Inspect the rod guide for any damage before each use. Do not use if damaged.
- Follow all firearm safety protocols while cleaning your firearm.
- Report any unsafe conditions or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- **Avoid ORings:** Rimfire guides cannot have an Oring due to dimensional constraints. Ensure that you do not attempt to modify the guide to include one.
- **Complex Cleaning:** Cleaning from the breech involves ejectors and trigger parts. Take care to avoid damaging these components during use.
- **Compatibility Check:** Ensure that your rimfire rod guide is compatible with your specific firearm model (e.g., Remington 40X, Cooper 36).
- **Solvent Ports:** All rimfire rod guides accept Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Ensure you are using the correct model for your solvent port.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including the rod guide, cleaning rod, and solvent.

#### 2. Installation:

- Insert the rimfire rod guide into the breech of your firearm.
- Ensure a snug fit without forcing the guide into place.
- If using a solvent port, attach it to the rod guide as per the manufacturer's instructions.

#### 3. Usage:

- Use a cleaning rod appropriate for your caliber.
- Apply solvent to the cleaning patch or brush before inserting it into the rod guide.
- Clean the barrel by pushing the rod through the guide, ensuring smooth and controlled movements.
- Avoid excessive force to prevent damage to the barrel or internal components.

#### 4. PostCleaning:

- Remove the rod guide carefully after cleaning.
- Store the rod guide and cleaning materials in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of any cleaning materials, such as patches or brushes, in accordance with local waste disposal regulations.
- The rod guide itself can typically be disposed of with regular household waste unless otherwise specified by local regulations.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please consult your retailer or manufacturer's website for further assistance. Always ensure you are following the latest safety guidelines and product updates.

Thank you for your attention to safety while using the Sinclair Rimfire Guides. Your careful handling and adherence to these instructions will contribute to a safer cleaning experience.
