[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

We have a large assortment of rod guides that we make for popular target/varmint rimfire rifles and are constantly adding more models to our selection. Rimfire guides can't have an O-ring due to the dimensions we are working with. Making rod guides to allow you to clean from the breech on rimfires is a little more complex due to the ejectors and trigger parts that are in the way. All of our rimfire rod guides will accept our Sinclair Solvent Ports, except for the Anschutz Model 54 guide. Does not include integral solvent port.

# Sinclair Rimfire Guides Safety Instructions

## Introduction

Thank you for choosing the Sinclair Rimfire Guides for 17 HMR/HM2. This product is designed to assist in the cleaning of popular target and varmint rimfire rifles. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms with care and follow the basic rules of firearm safety.
- Ensure that the firearm is unloaded before using the cleaning rod guide.
- Keep the cleaning area wellventilated and free from distractions.
- Use only the recommended cleaning materials and solvents compatible with your firearm.
- Regularly inspect the cleaning rod guide for any signs of wear or damage before each use.
- Store the cleaning rod guide in a safe place, out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The cleaning rod guide is designed for specific firearms. Using it with incompatible models can lead to damage or injury.
- Avoid using excessive force when inserting or removing the guide to prevent damage to the firearm or the guide itself.

- **Avoiding Hazards:**

- Do not attempt to clean a loaded firearm.
- Ensure that the ejectors and trigger parts are clear of obstruction during cleaning.
- Follow all manufacturer instructions regarding the use of cleaning solvents and materials.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Always supervise minors when handling firearms or cleaning equipment.

## Instructions for Installation and Usage

1. **Preparation:**

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Sinclair Rimfire Guide, cleaning rod, and compatible solvents.

2. **Installation:**

- Align the Sinclair Rimfire Guide with the breech of your firearm.
- Gently insert the guide into the chamber, ensuring it is seated properly.
- Confirm that the guide is securely positioned before proceeding with cleaning.

3. **Usage:**

- Attach the cleaning rod to the Sinclair Rimfire Guide.

- Use a compatible cleaning patch or brush to clean the barrel, following the manufacturer's recommendations for your specific firearm.
- After cleaning, carefully remove the cleaning rod and guide from the firearm.

#### **4. PostUsage:**

- Inspect the cleaning rod guide for any signs of wear or damage after each use.
- Clean the guide according to the manufacturer's instructions to maintain its condition.

## **Disposal Instructions**

- Dispose of any cleaning materials and solvents in accordance with local regulations.
- Do not dispose of the Sinclair Rimfire Guide in regular household waste if it is damaged. Contact local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions regarding the use or safety of the Sinclair Rimfire Guides, please reach out to your local retailer or consult the manufacturer's website for additional resources and support.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your Sinclair Rimfire Guide. Thank you for your attention to these important safety guidelines.
