# Safety Instruction Guide for .22.25 Caliber Heavy Duty Decapping Die

## Introduction

Thank you for choosing the .22.25 Caliber Heavy Duty Decapping Die by RCBS®. This product is designed to help you safely and efficiently remove primers from cases before cleaning. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Always use the decapping die in accordance with the manufacturer's instructions.
- Keep the decapping die and all associated tools out of reach of children and vulnerable individuals.
- Inspect the decapping die for any damage or wear before each use.
- Do not use the decapping die for any purpose other than its intended use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure your work area is clean, dry, and welllit before using the decapping die.
- Do not attempt to decap cases that are corroded or damaged, as this may pose a risk of injury.
- Always handle the decapping die with care to prevent cuts or punctures from sharp edges.
- Avoid wearing loose clothing or accessories that could become caught in the die during operation.
- Make sure to properly secure the die in your reloading press according to the manufacturer's instructions.
- Be aware of the potential for primers to be ejected during the decapping process. Stand clear of the ejection path.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is turned off and unplugged (if applicable).
- Carefully remove the decapping die from its packaging.
- Follow the manufacturer's instructions to securely install the decapping die into your reloading press.
- Adjust the die to the appropriate height for your specific cases, following the guidelines provided with the die.

### 2. Usage:

- Place a case into the reloading press.
- Engage the handle to lower the decapping pin into the primer pocket, applying steady pressure.
- Once the primer has been removed, inspect the case for any damage.
- Repeat the process for additional cases as needed.
- After use, clean the die according to the manufacturer's recommendations to maintain optimal performance.

## Disposal Instructions

- Dispose of any used primers and cases in accordance with local regulations.
- Do not dispose of primers in regular household waste; check for local hazardous waste disposal options.
- Ensure that the decapping die is stored in a safe place when not in use, ideally in its original packaging.

## **Contact Information for Further Support**

For any questions regarding the safety or use of the .22.25 Caliber Heavy Duty Decapping Die, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience while using the .22.25 Caliber Heavy Duty Decapping Die. Thank you for prioritizing safety in your reloading activities.
