EZEE CASE GAGE II Safety Instruction Guide

Introduction

Thank you for choosing the EZEE Case Gage II by Lyman. This precision tool is designed to help you measure the case length of over 70 popular rifle and pistol cases accurately and efficiently. To ensure safe and effective use of the EZEE Case Gage II, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle the EZEE Case Gage II with care to avoid injury.
- Keep the gage away from children and pets.
- Use the gage only for its intended purpose, which is to measure case lengths.
- Inspect the gage before each use to ensure it is free from damage.
- Store the gage in a safe, dry place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure your hands are clean and dry before handling the gage to maintain grip and accuracy.
- Avoid using the gage in wet or damp conditions to prevent slipping or corrosion.
- Do not force the gage into cases that do not fit; doing so may damage the gage or the cases.
- Be aware of sharp edges on the gage and handle it carefully to avoid cuts.
- If the gage becomes damaged or shows signs of wear, discontinue use immediately and seek a replacement.

Instructions for Installation and Usage

1. Preparation:

- Gather the cases you wish to measure and ensure they are clean and free from debris.
- Have the EZEE Case Gage II ready for use.

2. Measuring Case Length:

- Insert the case into the gage until it stops.
- Ensure that the case is seated properly and that the gage is making full contact with the case.
- Read the measurement indicated on the gage.
- Remove the case from the gage and repeat the process for additional cases as needed.

3. PostUse Care:

- After use, clean the gage with a soft cloth to remove any residue or dirt.
- Store the gage in its protective case or a secure location to prevent damage.

Disposal Instructions

- Dispose of the EZEE Case Gage II in accordance with local regulations for metal waste.
- Do not dispose of the gage in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please reach out to your local retailer or visit the manufacturer's website for more information.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your EZEE Case Gage II. Thank you for your attention to safety and responsible usage.
