

# **Sinclair 7/8-14 Benchrest Press - SINCLAIR INTERNATIONAL BENCHREST C-FRAME RELOADING PRESS, MOUNTING PLATE**

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

Our Sinclair Custom Press is designed for bump-sizing benchrest cartridge shoulders in the field and in the reloading room. The features on this press are the result of input from dozens of benchrest shooters who use small, portable presses like these. Details like the 10-degree press tilt, the covered linkage, and the primer exit point make this press stand out from all others. Features:-  
Machined and contoured from a solid billet of aluminum.- A soft radius has been applied to all edges to eliminate sharp corners.- Primers exit through the bottom of the ram, keeping primer debris away from the linkages.- Throat opening of 2.5 inch will accept up to 308 case lengths for sizing (PPC's, BR's, 30x47, 308, etc.).- Heavy-duty linkage has no exposed clips, nuts, or bolts.- 10-degree press tilt for easy case insertion.- Optional mounting plate for quick takedown and compact storage.

# Sinclair 7/814 Benchrest Press Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair 7/814 Benchrest Press. This product is designed for safe and effective use in sizing benchrest cartridges. To ensure your safety and the optimal performance of the press, please read and follow the safety instructions and guidelines provided in this manual.

## General Safety Guidelines

- Always read the instructions before using the product.
- Ensure the workspace is clean and free of clutter to prevent accidents.
- Keep the press out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the press.
- Be aware of your surroundings and ensure that no one is in the immediate vicinity while using the press.
- Regularly inspect the press for any signs of wear or damage before each use.
- Do not use the press for any purpose other than its intended use as specified in this manual.

## Specific Safety Precautions for Use

- Ensure that the press is securely mounted to a stable surface before use.
- Avoid placing your hands near moving parts while operating the press.
- Do not overload the press beyond its specified capacity.
- Always check that the primer exit point is clear of obstructions before starting the sizing process.
- If you experience any unusual noises or resistance while using the press, stop immediately and inspect for issues.
- Dispose of any primer debris and other waste materials in accordance with local regulations.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Instructions for Installation and Usage

### Installation

1. Select a stable and level surface for mounting the press.
2. Use the optional mounting plate for quick takedown and compact storage.
3. Securely attach the press to the surface using appropriate fasteners (not included).
4. Ensure that the press is positioned for easy access and operation.

### Usage

1. Prepare the cartridges to be sized by ensuring they are clean and free of debris.
2. Insert the cartridge into the press, aligning it with the throat opening.
3. Apply downward pressure on the handle to size the cartridge.
4. Monitor the primer exit point to ensure debris does not obstruct the operation.
5. Once sizing is complete, remove the cartridge and check for proper sizing before proceeding.

## Disposal Instructions

- Dispose of any damaged or unusable parts of the press in accordance with local regulations.
- Follow local guidelines for the disposal of primer debris and other materials.
- Do not dispose of the press in regular household waste; check for recycling options in your area.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact details provided with the product packaging or visit the official website of Sinclair International.

By following these safety instructions, you ensure not only your safety but also the longevity and proper functioning of your Sinclair 7/814 Benchrest Press. Thank you for your attention to these important guidelines.
