# Safety Instruction Guide for 45 AUTO BRASS

## Introduction

Thank you for choosing Starline Brass 45 AUTO BRASS. This product is designed for use in firearms and is made with highquality materials to ensure reliable performance. However, it is important to follow safety guidelines to ensure safe handling and usage. This guide provides essential safety instructions in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight and extreme temperatures.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect ammunition for any signs of damage before use.
- Use only in firearms that are specifically designed for 45 Auto (ACP) cartridges.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.

## Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when shooting.
- Ensure that the firearm is in good working condition before loading.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use damaged or defective ammunition.

## Instructions for Installation and Usage

### 1. Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and verify that it is unloaded.
- Load the 45 AUTO BRASS cartridges into the magazine or chamber according to the firearm's manual.
- Close the action securely.

### 2. Firing the Ammunition:

- Ensure you are in a designated shooting area.
- Stand in a stable position with a firm grip on the firearm.
- Aim at your target and ensure the area beyond the target is clear.
- Squeeze the trigger smoothly to fire the ammunition.

### 3. PostFiring:

- After firing, keep the firearm pointed downrange.
- Open the action and remove any remaining cartridges.
- Inspect the firearm for any malfunctions.

## Disposal Instructions

- Dispose of used cartridges in accordance with local regulations.
- Do not throw ammunition in the regular trash.

- Contact a local waste disposal service for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please reach out to your local retailer or manufacturer. Always refer to the official website for the latest safety updates and product information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Starline Brass 45 AUTO BRASS. Always prioritize safety and stay informed about best practices for handling and using ammunition. Thank you for your commitment to responsible shooting.
