If you are using the longer, heavier bullets in your AR-15, then you need a Sinclair AR-15 Single Shot Follower. The longer, heavier bullets are normally loaded longer than magazine length. The Sinclair AR-15 Single Shot Follower positions the 223 Remington cartridge loaded with longer bullets correctly for smooth feeding into the chamber. Once a round is fired, the bolt retracts and locks behind the follower in the empty/loading position. No need to take your magazine apart! It takes only a few seconds to install the Sinclair Follower on top of the existing follower. It can be removed just as quickly. This follower addresses many of the problems with existing single shot followers on the market. The satin finished anodized aluminum wears better than the plastic followers and is easily noticeable in the magazine. Works perfectly in GI metal magazines and Brownell magazines. Will not work in any of the inexpensive, plastic magazines we tested. Will work with 450 SOCOM and 450 Bushmaster.

# Safety Instruction Guide for AR15/M16 Single Shot Magazine Follower

## Introduction

Thank you for choosing the AR15/M16 Single Shot Magazine Follower. This product is designed to enhance the functionality of your AR15 by accommodating longer, heavier bullets. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the product is used only with compatible firearms and ammunition.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before each use.
- If you notice any irregularities or issues, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Use only with 223 Remington cartridges loaded with longer bullets.
- Do not attempt to modify the follower or use it in any way not described in this guide.
- Ensure that the firearm is unloaded before installing or removing the follower.
- Follow the manufacturer's guidelines for the firearm to ensure compatibility.
- Do not use the follower with inexpensive plastic magazines, as they may not function correctly.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing follower from the magazine.
- Place the Sinclair AR15 Single Shot Follower on top of the magazine follower.
- Ensure it is seated correctly and securely.
- Reassemble the magazine as per the manufacturer's instructions.

### 2. Usage:

- Load the magazine with 223 Remington cartridges that have longer bullets.
- Insert the magazine into the firearm.
- Fire the weapon according to the manufacturer's guidelines.
- After firing, the bolt will retract and lock behind the follower in the empty/loading position.
- When finished, remove the magazine and inspect the follower for any signs of wear.

### 3. Removal:

- Ensure the firearm is unloaded.
- Disassemble the magazine as per the manufacturer's instructions.
- Carefully remove the Sinclair Follower.
- Store or dispose of the follower according to local regulations.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local waste management regulations.
- If the product is no longer usable, consider recycling it if possible.
