

# XTP® .38 CALIBER (0.357") JACKETED HOLLOW POINT BULLETS - XTP® 38 CALIBER (0.357") 180GR JACKETED HOLLOW POINT 100/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Designed for hunting, self-defense and law enforcement applications, the XTP® bullet demonstrates the kind of accuracy that led many competitive shooters to adopt it. Reliable performance makes the XTP® the most popular handgun bullet for both target shooters and hunters. But it's the stopping power of the XTP® bullet that has truly built its world-class reputation. From the onset, XTP® bullets were specifically designed to expand reliably at a wide range of handgun velocities to deliver deep penetration with every shot. PRODUCT FEATURES CONTROLLED EXPANSION Precise serrations divide the XTP® into symmetrical sections, strategically weakening the jacket and initiating controlled expansion even at low velocities. NO EXPOSED LEAD The gilding metal jacket protects the nose of the bullet, so the hollow cavity functions properly on impact and ensures proper feeding in semi-automatics. SWAGED CORE Total uniformity of core density ensures balanced expansion as well as in-flight stability. DRAWN GILDING METAL JACKET Expansion is controlled by varying jacket thickness down the length of the XTP®, providing a definite advantage over plated bullets which have a uniform jacket thickness over the entire bullet. CANNELURE On revolver bullets, the cannellure helps achieve accurate, consistent crimping. All cannellures are applied before the final forming process to eliminate any distortion to the finished bullet.

## Attributes

- Name: [XTP® 38 CALIBER \(0.357"\) 180GR JACKETED HOLLOW POINT 100/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 749002700
- Mfr. No.: 35771
- Bullet Style: Hollow Point Extreme Terminal Performance (HPXTP)
- Caliber: 38 Caliber
- Diameter (in): 0.357
- Grain: 180
- Quantity: 100
- Delivery weight: 1.22kg
- Shipping height: 57mm
- Shipping width: 70mm
- Shipping length: 108mm
- UPC: 090255200300

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets

## Introduction

Thank you for choosing the XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use to understand the potential risks and how to mitigate them.

## General Safety Guidelines

- Ensure compliance with local laws and regulations regarding the purchase, storage, and use of ammunition.
- Always handle ammunition with care to prevent accidents.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly check for updates on product safety and recall information through official channels.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Do not use ammunition that appears damaged or has been stored improperly.
- Ensure that your firearm is compatible with .38 caliber ammunition before use.
- Follow all manufacturer instructions for your firearm to avoid malfunctions.
- Do not point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe backdrop when firing.
- Do not consume alcohol or drugs before handling or using ammunition.

## Instructions for Installation and Usage

### • Loading the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Open the firearm's action and verify that it is unloaded.
- Load the XTP® bullets into the magazine or chamber according to the firearm's manual.

### • Firing the Ammunition:

- Ensure the firearm is in good working condition.
- Take a stable shooting position and aim at the target.
- Squeeze the trigger gently to fire, maintaining control of the firearm.

### • After Firing:

- Always treat the firearm as if it is loaded.
- Open the action and check for any remaining ammunition.
- Store unused ammunition safely and securely.

## Disposal Instructions

- Dispose of spent casings and any unused ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; contact local authorities for proper disposal methods.

- Ensure that all spent ammunition is cool and safe to handle before disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the XTP® bullets, please contact the manufacturer directly. Ensure you provide all relevant details for efficient assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your XTP® .38 Caliber (0.357") Jacketed Hollow Point Bullets. Always prioritize safety and responsibility in all aspects of ammunition handling and usage.
