# Safety Instruction Guide for 357 SIG BRASS

## Introduction

Thank you for choosing Starline Brass 357 SIG Brass. This product is designed for use in handguns and is manufactured with a focus on quality and safety. Please read this safety instruction guide carefully to ensure safe and proper usage of the product.

## General Safety Guidelines

- Always store the brass in a cool, dry place away from direct sunlight.
- Keep the brass out of reach of children and unauthorized users.
- Inspect the brass for any damage or defects before use.
- Use only in accordance with applicable laws and regulations regarding ammunition and reloading.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the functioning of your handgun before using the brass.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Avoid using damaged or deformed brass, as this may pose a risk of malfunction or injury.
- Follow the manufacturer's guidelines for reloading and using brass to ensure safe operation.
- Do not exceed the recommended loads when reloading the brass.

## Instructions for Installation and Usage

- Before using the brass, ensure that you have the following materials:
  - 357 SIG Brass (100 count)
  - Appropriate reloading equipment
  - Ammunition components (powder, primers, bullets)
- To prepare the brass for use:
  1. Inspect each piece of brass for cleanliness and integrity.
  2. Clean the brass if necessary, using a suitable brass cleaning solution.
  3. Resize the brass in accordance with your reloading equipment instructions.
  4. Prime the brass with the appropriate primer for 357 SIG.
  5. Charge the brass with the correct amount of powder as per your load data.
  6. Seat the bullet firmly and ensure it is properly crimped.
- Always follow the reloading manual and safety practices provided by your equipment manufacturer.

## Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Do not discard brass in regular trash; check for recycling options in your area.
- Ensure that any spent primers and powder are disposed of safely and responsibly.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the contact details provided on the package or visit the manufacturer's website.

## Conclusion

By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your Starline Brass 357 SIG Brass. Always prioritize safety and adhere to best practices when handling firearms and ammunition. Thank you for your attention to these important safety instructions.
