# Safety Instruction Guide for SPECIALTY CLEANING ROD GUIDES

## Introduction

Thank you for choosing the Specialty Cleaning Rod Guides from Sinclair International. This guide provides essential safety instructions to ensure the safe use of your cleaning rod guides for the AR15 and Ruger 77/22 Hornet rifles. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the cleaning rod guides out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage before use. Do not use damaged products.
- Familiarize yourself with the cleaning process and the tools required before beginning.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before using the cleaning rod guides.
- Use the cleaning rod guides only as intended. Do not modify the product.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the cleaning rod guide.
- Do not use the cleaning rod guides in a way that could lead to injury or damage to the firearm.
- Be cautious of solvents and chemicals. Use them in a wellventilated area and follow the manufacturer's instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies and tools.

### 2. Installation:

- Insert the cleaning rod guide into the chamber of the firearm.
- Ensure it fits securely and is properly aligned with the bore.

### 3. Cleaning:

- Attach the appropriate cleaning rod to the cleaning rod guide.
- Use the cleaning rod to clean the bore of the rifle, following standard cleaning procedures.
- If applicable, use the integral solvent port to apply cleaning solvent as needed.

### 4. PostCleaning:

- Remove the cleaning rod guide after cleaning is complete.
- Clean and store the cleaning rod guide in a safe place.

## Disposal Instructions

- Dispose of any cleaning solvents and chemicals according to local regulations.
- The cleaning rod guide can be disposed of with regular household waste unless otherwise specified by

local regulations. Check with local waste management authorities for guidance.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Specialty Cleaning Rod Guides, please refer to the contact information provided with your purchase.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience for your firearm. Always prioritize safety and responsibility when handling firearms and cleaning equipment. Thank you for your attention to these important guidelines.
