

# **SINCLAIR O-RING ROD GUIDES FOR 338 CAL TO 8MM BELTED MAG**

## **- SINCLAIR INTERNATIONAL 338 CAL-8MM BELTED MAG O-RING ROD GUIDE 0.675" DIA**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Browning L70, Sako A3, A4, L61, Finnbear, 491, 591, 691, Howa 1500, Tikka, 595, 590, 695, and 690, Cooper 22, Savage AXIS, Kimber 84 (WSM). NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

### **Attributes**

- Name: [SINCLAIR INTERNATIONAL 338 CAL-8MM BELTED MAG O-RING ROD GUIDE 0.675" DIA](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002826

# Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDE for your cleaning needs. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the rod guide is compatible with your firearm's action and cartridge before use.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Keep the rod guide and all cleaning equipment out of reach of children and vulnerable individuals.
- Regularly inspect the rod guide for wear or damage before each use.
- Use the rod guide only for its intended purpose as described in this manual.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Avoid Overtightening:** Do not overtighten the rod guide during installation as this may damage both the rod guide and the firearm.
- **Proper Cleaning Solutions:** Use only recommended cleaning solvents that are compatible with your firearm. Avoid using flammable or corrosive substances.
- **Ventilation:** Ensure that you are in a wellventilated area while using cleaning solvents to avoid inhalation of fumes.
- **Protective Gear:** Wear appropriate protective gear, such as gloves and safety goggles, to prevent skin contact and eye exposure to cleaning solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the bolt or bolt carrier from the action as per the manufacturer's instructions.

### 2. Installation of Rod Guide:

- Select the appropriate SINCLAIR ORING ROD GUIDE based on your firearm's specifications.
- Insert the snout of the rod guide into the chamber until it is firmly seated.
- Ensure the "O"ring creates a seal to prevent solvents from leaking back into the action area.

### 3. Using the Cleaning Rod:

- Attach your cleaning rod to the rod guide.
- Apply an appropriate cleaning solvent to the cleaning patch or brush.
- Insert the cleaning rod through the rod guide and into the barrel, following the manufacturer's cleaning instructions.

### 4. PostCleaning:

- After cleaning, carefully remove the cleaning rod and rod guide from the firearm.
- Wipe down the rod guide with a clean cloth to remove any solvents or debris.

## **Disposal Instructions**

- Dispose of used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of the SINCLAIR ORING ROD GUIDE in regular household waste. Check with local recycling programs for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the SINCLAIR ORING ROD GUIDE, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SINCLAIR ORING ROD GUIDE. Thank you for prioritizing safety in your firearm maintenance practices.
