

# **SINCLAIR O-RING ROD GUIDES FOR 6MM/6.5MM-284 WINCHESTER - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 6MM/6.5MM - 284 WINCHESTER, .675" DIAMETER**

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action In place of your bold or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports.

# SINCLAIR ORING ROD GUIDES FOR 6MM/6.5MM284 WINCHESTER

## Introduction

Thank you for choosing the Sinclair ORing Rod Guides for your cleaning needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire guide carefully before use.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before using the rod guide.
- Use the rod guide only for its intended purpose, which is to facilitate the cleaning of your firearm.
- Keep the rod guide out of reach of children and unauthorized users.
- Regularly inspect the rod guide for any signs of wear or damage before each use.
- If you notice any damage, do not use the rod guide and contact customer support for assistance.
- Follow all local laws and regulations regarding the use and cleaning of firearms.

## Specific Safety Precautions for Use

- Ensure that the Oring is properly seated in the chamber before inserting the cleaning rod.
- Do not force the rod guide into the chamber; it should fit snugly but not require excessive force.
- Avoid using solvents that are not recommended or compatible with the materials of the rod guide.
- Always wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when using cleaning solvents.
- Ensure proper ventilation in the area where cleaning is performed to avoid inhaling fumes from solvents.
- Do not leave solvents unattended and ensure that they are stored securely when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the Sinclair ORing Rod Guide and cleaning rod.

### 2. Installation of the Rod Guide:

- Remove the bolt or bolt carrier from your firearm according to the manufacturer's instructions.
- Insert the Sinclair ORing Rod Guide into the chamber until it is fully seated.
- Make sure the silicone Oring is properly sealing the chamber to prevent leakage.

### 3. Using the Cleaning Rod:

- Attach the cleaning rod to the rod guide.
- Carefully insert the cleaning rod into the barrel and perform your cleaning routine as recommended.
- Do not apply excessive force when pushing the cleaning rod through the barrel.

### 4. PostCleaning:

- Once cleaning is complete, carefully remove the cleaning rod and the rod guide from the firearm.
- Inspect the rod guide for any signs of wear or damage before storing.

## **Disposal Instructions**

- Dispose of any cleaning solvents and materials according to local regulations.
- The Sinclair ORing Rod Guide can be disposed of as general waste unless otherwise directed by local regulations.
- If the rod guide is damaged, consider recycling options if available in your area.

## **Contact Information for Further Support**

For any inquiries or assistance regarding the Sinclair ORing Rod Guides, please reach out to our customer support team. We are here to help ensure your satisfaction and safety.

Thank you for your attention to these safety guidelines. Proper use and care of your Sinclair ORing Rod Guide will enhance your cleaning experience and maintain the integrity of your firearm.
