

# SINCLAIR O-RING ROD GUIDES FOR 25 TO 280 CAL - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 25-280 CALIBER, 0.838" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 25-280 CALIBER, 0.838" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002841

# Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDES for your cleaning needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the following information carefully before using the rod guides.

## General Safety Guidelines

- Ensure the rod guide is compatible with your firearm's action and caliber before use.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the rod guide out of reach of children and vulnerable individuals.
- Regularly inspect the rod guide for any signs of wear or damage before each use.
- Do not use the rod guide if it is damaged or shows signs of wear.
- Store the rod guide in a safe, dry place when not in use.

## Specific Safety Precautions for Use

- Before inserting the rod guide, ensure that the firearm is unloaded and the action is open.
- Use the rod guide only for its intended purpose; do not attempt to modify or alter it.
- Avoid using excessive force when inserting or removing the rod guide.
- If you experience resistance while inserting the rod guide, stop and check for compatibility issues or obstructions.
- Always wear appropriate protective gear, such as safety glasses, when cleaning firearms.
- Be cautious of solvents and cleaning agents; follow the manufacturer's instructions for safe handling and disposal.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded.
- Gather necessary cleaning supplies and the rod guide.

### 2. Inserting the Rod Guide:

- Align the rod guide with the chamber of your firearm.
- Gently insert the snout of the rod guide into the chamber until it is fully seated.
- The silicone "O"ring should create a seal to prevent solvents from leaking back into the action.

### 3. Cleaning:

- Attach your cleaning rod to the rod guide.
- Follow your usual cleaning procedure, ensuring that solvents are applied safely.
- Monitor the cleaning process to ensure that the rod guide remains securely in place.

### 4. Removing the Rod Guide:

- Once cleaning is complete, carefully remove the cleaning rod from the rod guide.
- Gently pull the rod guide out of the chamber.
- Inspect the rod guide for any signs of wear or damage.

## **5. PostUse Care:**

- Clean the rod guide as per the manufacturer's recommendations.
- Store the rod guide in a safe and dry location.

## **Disposal Instructions**

- Dispose of any cleaning solvents or materials according to local regulations.
- If the rod guide is damaged beyond repair, it should be disposed of responsibly.
- Consider recycling options for materials where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with your product packaging. It is essential to reach out for assistance if you have any questions or concerns.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure the safe use of your SINCLAIR ORING ROD GUIDES and maintain the performance of your firearm.
