

# SINCLAIR O-RING ROD GUIDES FOR 22 CALIBER TO 6MM - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM, 0.870" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action In place of your bold or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Enfield SMLE (No. 1 Mk 4 etc) NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM, 0.870" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002847

# Safety Instruction Guide for SINCLAIR ORING ROD GUIDES

## Introduction

Thank you for choosing the SINCLAIR ORING ROD GUIDES for your firearms cleaning needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the rod guides.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the rod guide for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when cleaning firearms.
- Ensure the firearm is unloaded and pointed in a safe direction before inserting the rod guide.
- Use the rod guide only with compatible actions and cartridges as specified in the product description.
- Avoid using excessive force when inserting or removing the rod guide to prevent damage to both the guide and the firearm.
- Do not use solvents or cleaning agents that are not recommended by the manufacturer.
- If you experience any difficulty during use, stop immediately and consult the manufacturer for assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the SINCLAIR ORING ROD GUIDE.

### 2. Insertion of Rod Guide

- Remove the bolt or bolt carrier from the action of your firearm.
- Carefully insert the snout of the rod guide into the chamber of the firearm.
- Ensure the silicone "O"ring creates a proper seal to prevent solvents from leaking into the action area.

### 3. Cleaning Procedure

- Attach your cleaning rod to the rod guide.
- Follow the cleaning instructions specific to your firearm and the cleaning agents being used.
- After cleaning, remove the cleaning rod and the rod guide from the firearm.

### 4. PostUse Care

- Clean the rod guide after use to remove any solvents or debris.
- Store the rod guide in a safe and dry location, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of any cleaning solvents or materials in accordance with local regulations.
- The SINCLAIR ORING ROD GUIDE is made from durable materials. If it becomes damaged beyond repair, dispose of it in an environmentally responsible manner.
- Do not throw the product into regular household waste. Check local recycling guidelines for proper disposal methods.

## Contact Information for Further Support

For any questions or further assistance regarding the SINCLAIR ORING ROD GUIDES, please refer to the manufacturer's website or contact their customer support. Ensure to have your product details ready for a more efficient response.

By following these safety instructions, you can ensure a safer and more effective cleaning experience with your SINCLAIR ORING ROD GUIDES. Thank you for prioritizing safety in your firearm maintenance.
