

# BONDHUS® BALLDRIVER® HEX SETS - BONDHUS 8-PIECE STANDARD HEX SCREWDRIVER SET - .050-5/32

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Fixed Blade Sets](#)

These Bondhus Balldriver screwdrivers make working with hex head fasteners much faster and easier than using hex keys. The strong thermoplastic handles have a molded-on rubber comfort grip and are color coded for metric/standard. We have found ourselves putting the hex key sets in the range box and using these screwdrivers on the bench at home.

Bondhus 8-Piece Standard Hex Screwdriver Set - .050-5/32

# **BONDHUS® BALLDRIVER® HEX SETS Safety Instructions**

## **Introduction**

Thank you for choosing the BONDHUS® 8Piece Standard Hex Screwdriver Set. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read these instructions carefully before use.

## **General Safety Guidelines**

- Ensure that the tool is used only for its intended purpose.
- Always inspect the tool before use for any signs of damage or wear.
- Keep the tool out of reach of children and unauthorized users.
- Use protective eyewear when using the tool to prevent injury.
- Store the tool in a dry, safe place when not in use.
- Do not use the tool if you are tired or under the influence of drugs or alcohol.
- Report any unsafe conditions or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Do not apply excessive force when using the screwdriver, as this may lead to tool breakage or personal injury.
- Ensure that the hex screw is properly seated in the driver before applying torque.
- Avoid using the tool in wet or damp conditions to reduce the risk of slipping or electrical hazards.
- Use the correct size screwdriver for the hex screw to prevent stripping or damaging the screw.
- Do not modify the tool in any way, as this may compromise its safety and effectiveness.

## **Instructions for Installation and Usage**

### **1. Selecting the Right Driver:**

- Choose the appropriate hex screwdriver from the set based on the size of the screw.

### **2. Using the Screwdriver:**

- Align the hex driver with the screw head.
- Turn the screwdriver clockwise to tighten the screw and counterclockwise to loosen it.
- Apply steady pressure without forcing the tool.

### **3. After Use:**

- Clean the tool after each use to remove dirt and debris.
- Inspect for any signs of wear or damage before storing.
- Store the screwdriver set in its designated case to prevent loss and damage.

## **Disposal Instructions**

- Dispose of the tool responsibly when it reaches the end of its useful life.
- Follow local regulations for the disposal of hand tools.
- Do not dispose of the tool in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BONDHUS® 8Piece Standard Hex Screwdriver Set, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy using your BONDHUS® 8Piece Standard Hex Screwdriver Set safely and effectively!
